### Sword of the King (Dance with the Devil Book 5) By Megan Derr

Dragons are amongst the most feared creatures in the paranormal world, nigh unbeatable and barely controllable. Every year, countless men and women with dragon potential are kidnapped and changed, their former lives lost forever. They are drugged to compliance and trained to fight in the notorious Pits for the profit of the crime lords who breed them.

Blaze has been a pit fighter all his life, and it is a life he hates. The only thing that keeps him going is that if he stops, he risks losing the only thing that matters to him: his dragon Erie. Though pit rules say it's a bad idea to get too close to the dragons, Blaze has never been able to help it. He'll do anything to protect Erie.

Ken and his dragon Nevada were once victims of the pits, stolen from their normal lives and forced to fight. Now, they work to bring down the pits they despise, though the battle seems futile. Everyone who has ever tried has wound up dead. Stopping the pit fights once and for all will take a miracle—or a legend.
