BrickJournal Compendium 2, Volume 1 By Joe Meno

BrickJournal Compendium Two compiles two complete digital issues of the acclaimed magazine for LEGO enthusiasts of all ages for the first time in printed form! This FULL-COLOR book spotlights all aspects of the LEGO Community through interviews with: Mike Wilder (about using a Mindstorms robot to film a 3-D documentary) and Mark Larson (creator of the Fabuland Housewives online comic strip), Alban Nanty on his Lego-based Star Wars® film, plus features on Lego character sculptures, tutorials on LCad software for creating projects, an examination of Legoland's history, behind the scenes at a Lego factory, building big with Legos (from castles and rollercoasters to ships and skyscrapers), creating custom minifigures, instructions and building techniques, and more!

Edited by Joe Meno.

Editorial Review

Users Review

From reader reviews:

Gary Glover:

Book is to be different per grade. Book for children until eventually adult are different content. We all know that that book is very important for us. The book BrickJournal Compendium 2, Volume 1 has been making you to know about other knowledge and of course you can take more information. It doesn't matter what advantages for you. The e-book BrickJournal Compendium 2, Volume 1 is not only giving you more new information but also to get your friend when you experience bored. You can spend your personal spend time to read your e-book. Try to make relationship with the book BrickJournal Compendium 2, Volume 1. You never really feel lose out for everything should you read some books.

Arnold Grigg:

As people who live in typically the modest era should be update about what going on or facts even knowledge to make these people keep up with the era which is always change and progress. Some of you maybe will update themselves by reading books. It is a good choice to suit your needs but the problems coming to you actually is you don't know what one you should start with. This BrickJournal Compendium 2, Volume 1 is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

Sandra Lynn:

Are you kind of hectic person, only have 10 or maybe 15 minute in your day to upgrading your mind skill or thinking skill actually analytical thinking? Then you are experiencing problem with the book compared to can satisfy your short period of time to read it because pretty much everything time you only find e-book that need more time to be learn. BrickJournal Compendium 2, Volume 1 can be your answer given it can be read by you who have those short extra time problems.

Robert Vargas:

With this era which is the greater man or who has ability in doing something more are more precious than other. Do you want to become one of it? It is just simple method to have that. What you are related is just spending your time very little but quite enough to get a look at some books. One of many books in the top listing in your reading list is actually BrickJournal Compendium 2, Volume 1. This book that is qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking upward and review this guide you can get many advantages.
