### Editorial Review

From School Library Journal

Grade 7–10—Move over Nancy Drew! Cameron Morgan attends a secret spy school for girls, Gallagher Academy, which has been training female spies since the Civil War. During summer vacation, Cammie goes to Boston to see her best friend Macey, whose father will be accepting a vice presidential nomination. When three masked figures drop out of a helicopter and attempt to kidnap Macey, Cammie and her friend fight off the attackers and barely escape alive. They go back in school to begin their junior year, but no longer feel safe. Cammie is determined to figure out who is after Macey, so she teams up with their other two roommates to solve the mystery. Ally Carter's third book (Hyperion, 2009) in the Gallagher Girls series is read by Renee Raudman who creates recognizable voices for all of the characters. Although her southern accent is a little over the top, her British accent is spot-on. Fans of the series will enjoy this audiobook and eagerly await the next title.—*Samantha Larsen, West Jordan Library, UT*
