Mercy By David Lindsey

Houston is shattered by a shock wave of unbelievably vicious sex killings. And this time the pattern is unique--way out of line with traditional violent-crime psychology. In Detective Carmen Palma's experience, a psychopath always chooses anonymous targets. But the Houston victims know and trust their killer: They meet willingly in hotel rooms, even in their homes. They don't fight when the leather cuffs are fastened to their wrists and ankles. They don't even struggle when the first blows fall . . . Palma's first lightning instinct is that the victims expected their torture. They were practicing masochists, apart of a secret clique that includes some of the city's most prominent women. They helped choreograph their own punishments--every blow. They just didn't expect to die. . .

Editorial Review

From Publishers Weekly

Lindsey (*In the Lake of the Moon*) has constructed a lean, gripping, psychological thriller around a gruesome subject: a series of brutally sadistic murders among the lesbian demimonde of monied Houston. The victims are found nude, beaten, bitten, slashed--and perfumed and flawlessly made-up, but with their eyelids expertly sliced from their eyes. Lindsey's likable heroine, recently divorced detective Carmen Palma, frantically tries to discover the murderer before another strike, battling both male chauvinism within the department and a growing discomfort with her task: exposure to the brutalized corpses is destroying her peace of mind. Still, she's tough, her powers of deduction remarkable, and the investigation moves swiftly--though it's periodically upstaged by erotic descriptions of murder and incest as well as enlightening asides on the nature and psychology of lesbianism, serial murder, transvestism, fetishism, bisexuality and sadomasochism. In all, Lindsey seems to have achieved a paradoxical goal: to create a sexually charged thriller that entertains in a responsible manner. Written with masterly skill, his chilling, provocative story is propelled by sophisticated characterization, credible dialogue and accurately rendered details. Literary Guild and Doubleday Book Club selections; author tour.

Review

"With a sure, steady hand Lindsey ratchets the suspense and sexual tension tighter and tighter, page by merciless page. The only mercy you'll get is the word on the cover."--Stephen Conts.
