Napoleon: The Path to Power 1769-1799 By Philip Dwyer

Napoleon Bonaparte's rise to power was neither inevitable nor smooth; it was full of mistakes, wrong turns and pitfalls. During his formative years his identity was constantly shifting, his character ambiguous and his intentions often ill-defined. He was, however, highly ambitious, and it was this ruthless drive that advanced his career. This book examines the extraordinary evolution of Napoleon's character and the means by which at the age of thirty he became head of the most powerful country in Europe and skilfully fashioned the image of himself that laid the foundation of the legend that endures to this day.

Editorial Review

Review

'This life of his hero in two volumes is the work that Dwyer was placed on earth to write ... We are clearly in the presence of what will be a monumental work ... meticulously researched and well-written first volume, which leaves the reader keenly anticipating the second' Andrew Roberts, *Literary Review* 'Remarkable ... a satisfying, psychologically convincing account of Napoleon's early years and ascent to power. Even-handed and authoritative, this fascinating and highly enjoyable book will be an eye opener even to those who think they know the subject well' Adam Zamoyski, *Sunday Times* 'Bonaparte's staggering ambition and penchant for blaming others for his mistakes are apparent throughout' *Financial Times Summer Books* 'An extraordinary story ... Dwyer has his own way of telling the story and this makes his book more than just a canter across familiar terrain ... an attractive addition to the literature on one of the most controversial figures in modern European history' Thomas Munch-Petersen, *BBC History Magazine*

About the Author

Philip Dwyer studied in Perth (Australia), Berlin and Paris, where he was a student of France's pre-eminent Napoleonic scholar, Jean Tulard. He has published widely on the Revolutionary and Napoleonic eras, and is the editor of *Napoleon and Europe*, the author of *Talleyrand*, and has co-edited *Napoleon and His Empire: Europe, 1804-1814*. He is currently Senior Lecturer in Modern European History at the University of Newcastle, Australia, and is working on the second volume of his biography of Napoleon. *Napoleon: The Path to Power, 1769-1799* has also been shortlisted for The Prime Minister's Literary Awards.

Users Review

From reader reviews:

Morgan Woods:

Reading a guide tends to be new life style in this particular era globalization. With studying you can get a lot of information which will give you benefit in your life. With book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their own reader with their story or their experience. Not only the story that share in the guides. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors on this planet always try to improve their ability in writing, they also doing some research before they write on their book. One of them is this *Napoleon: The Path to Power 1769-1799*.

Jennifer Crowe:

Spent a free time to be fun activity to perform! A lot of people spent their sparetime with their family, or their very own friends. Usually they performing activity like watching television, planning to beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your free time/ holiday? Could possibly be reading a book could be option to fill your totally free time/ holiday. The first thing that you will ask may be what kinds of guide that you should read. If you want to try out look for book, may be the guide untitled *Napoleon: The Path to Power 1769-1799* can be good book to read. May be it is usually best activity to you.

Ann Gonzalez:

Does one one of the book lovers? If yes, do you ever feeling doubt if you are in the book store? Try and pick one book that you find out the inside because don't assess book by its include may doesn't work is difficult job because you are afraid that the inside maybe not while fantastic as in the outside look likes. Maybe you answer is usually Napoleon: The Path to Power 1769-1799 why because the great cover that make you consider concerning the content will not disappoint you actually. The inside or content is fantastic as the outside or cover. Your reading 6th sense will directly direct you to pick up this book.

Timothy Grill:

This Napoleon: The Path to Power 1769-1799 is great publication for you because the content that is certainly full of information for you who all always deal with world and still have to make decision every minute. This specific book reveal it details accurately using great coordinate word or we can say no rambling sentences in it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but challenging core information with beautiful delivering sentences. Having Napoleon: The Path to Power 1769-1799 in your hand like obtaining the world in your arm, info in it is not ridiculous one particular. We can say that no reserve that offer you world inside ten or fifteen tiny right but this guide already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. active do you still doubt which?
