Quarantine #2: The Saints By Lex Thomas

New in paperback! A cross between the *Gone* series and *Lord of the Flies*, Quarantine #2: *The Saints* continues this frenetically paced and scary young adult series that illustrates just how deadly high school can be.

Nothing was worse than being locked in--until they opened the door...

McKinley High has been a battleground for eighteen months since a virus outbreak led to a military quarantine of the school. When the doors finally open, Will and Lucy will think their nightmare is finished. But they are gravely mistaken.

As a new group of teens enters the school and gains popularity, Will and Lucy join new gangs. An epic party on the quad full of real food and drinks, where kids hook up and actually interact with members of other gangs seemed to signal a new, easier existence. Soon after, though, the world inside McKinley takes a startling turn for the worse, and Will and Lucy will have to fight harder than ever to survive.

The Saints brings readers back to the dark and deadly halls of McKinley High and the QUARANTINE series.

**"With its morally dubious characters, charged sexual content, and double-take violence, this might be the darkest series going. Meanwhile, *Lord of the Flies* allusions (the adults' benevolent arrival and, believe it or not, a pig hunt), add further interest. Here's our demand: deliver the conclusion yesterday."--*Booklist*, STARRED REVIEW

"This fast-paced novel will, however, appeal to fans of The Hunger Games trilogy."--*VOYA*

"Thomas knows how to write a compelling story with flawed characters and intense situations."--*School Library Journal*

Also available in hardcover (ISBN: 978-1-60684-336-9) and e-book (ISBN: 978-1-60684-337-6) formats.

Editorial Review

From [Booklist](#)

Starred Review The craziest thing about 2012's rash of teens-in-quarantine books was that all of them were good. But as enjoyable as were Emmy Laybourne's *Monument 14* and Dayna Lorentz's *No Safety in Numbers*, it was Thomas' *Quarantine: The Loners* that blew the doors off the joint with a dirty bomb of sex and violence. The sequel picks up moments later, with infected teens streaming out of the newly breached high school until a school bus smashes into the opening, once again walling them in. Yes, it's a bit of a head fake, but it's a reset with a significant tweak: two adults are now lowering rationed supplies into the quad. Until Gates, the thrill-seeking leader of the new *Saints* gang, turns the tables by discovering that the adults are parents of the loathed Sam. By holding Sam hostage, they can demand anything—food, alcohol, condoms, whatever. The resulting bacchanalia has things looking up, despite Gates' worrisome obsession with protagonist Will and Lucy's extended naked hazing by the *Sluts* gang. With its morally dubious characters, charged sexual content, and double-take violence, this might be the darkest series going. Meanwhile, *Lord of the Flies* allusions (the adults' benevolent arrival and, believe it or not, a pig hunt) add further interest. Here's our demand: deliver the conclusion yesterday. Grades 10-12. --Daniel Kraus

Review

"This Hunger Games-esque novel is one of the best books that I have ever read." - *Huffington Post Books* writes of QUARANTINE #1: THE LONERS

"With its morally dubious characters, charged sexual content, and double-take violence, this might be the darkest series going. Meanwhile, *Lord of the Flies* allusions (the adults' benevolent arrival and, believe it or not, a pig hunt), add further interest. **Here's our demand: deliver the conclusion yesterday.**" *

About the Author

Lex Thomas is the author team made up of Lex Hrabe and Thomas Voorhies. Lex Hrabe was a Drama Geek in high school as well as student body president. Lex received a BA in Drama and English from the University of Virginia and has worked as an actor, director, and writer. In addition writing screenplays, he heads development at Cinespire Entertainment, a boutique production company (www.cinespire.com).

If Thomas Voorhies were a character in the Quarantine trilogy, he would be a member of the Art Geek gang. Thomas graduated with a BFA from the Rhode Island School of Design and continues to create and exhibit realist oil paintings. To see his work, visit www.thomasvoorhies.com.

Users Review

From reader reviews:

Joanna Weekley:

Do you one among people who can't read pleasant if the sentence chained inside the straightway, hold on guys this aren't like that. This Quarantine #2: The Saints book is readable by simply you who hate the perfect word style. You will find the data here are arrange for enjoyable looking at experience without leaving even

decrease the knowledge that want to provide to you. The writer regarding Quarantine #2: The Saints content conveys the thought easily to understand by many people. The printed and e-book are not different in the information but it just different by means of it. So , do you continue to thinking Quarantine #2: The Saints is not loveable to be your top list reading book?

Elizabeth Talbot:

This Quarantine #2: The Saints is great reserve for you because the content and that is full of information for you who else always deal with world and also have to make decision every minute. This specific book reveal it information accurately using great manage word or we can claim no rambling sentences inside. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but tough core information with splendid delivering sentences. Having Quarantine #2: The Saints in your hand like getting the world in your arm, data in it is not ridiculous just one. We can say that no book that offer you world within ten or fifteen small right but this guide already do that. So , this is certainly good reading book. Hey Mr. and Mrs. stressful do you still doubt that will?

Jerome Chisolm:

A lot of guide has printed but it is unique. You can get it by online on social media. You can choose the most beneficial book for you, science, witty, novel, or whatever by searching from it. It is named of book Quarantine #2: The Saints. Contain your knowledge by it. Without making the printed book, it could possibly add your knowledge and make an individual happier to read. It is most critical that, you must aware about e-book. It can bring you from one destination for a other place.

George Tucker:

Reading a reserve make you to get more knowledge from the jawhorse. You can take knowledge and information originating from a book. Book is prepared or printed or descriptive from each source that will filled update of news. With this modern era like at this point, many ways to get information are available for you actually. From media social just like newspaper, magazines, science publication, encyclopedia, reference book, book and comic. You can add your understanding by that book. Isn't it time to spend your spare time to open your book? Or just trying to find the Quarantine #2: The Saints when you needed it?
