The Mandarins (Norton Paperback Fiction) By Simone de Beauvoir

"Salty, frank, and realistic." ? *San Francisco Chronicle*

In her most famous novel, *The Mandarins*, Simone de Beauvoir takes an unflinching look at Parisian intellectual society at the end of World War II. In fictionally relating the stories of those around her ? Jean-Paul Sartre, Albert Camus, Arthur Koestler, Nelson Algren ? de Beauvoir dissects the emotional and philosophical currents of her time. At once an engrossing drama and an intriguing political tale, *The Mandarins* is the emotional odyssey of a woman torn between her inner desires and her public life. "Much more than a roman *a clef* . . . a moving and engrossing novel." ? *New York Times*
