Editorial Review

Review

Reviews of the previous editions: 'Easily the most authoritative and best illustrated pocket bird book ever published' Daily Express 'An indispensable aid to anyone travelling in Britain and Europe who is interested in birds' Country Life 'An authoritative, pocketable, generously illustrated, simply written book. They have done their work excellently' The Times 'Comprehensive and reliable. Very full, accurate texts. Good, clear illustrations, with the familiar, useful pointer system to draw attention to important features. The best field guide for use in Europe.' British Birds 'For clarity and speed, it has not been bettered' Irish Times

About the Author

Roger Tory Peterson, one of the world's greatest naturalists, received every major award for ornithology, natural science, and conservation, as well as numerous honorary degrees, medals, and citations, including the Presidential Medal of Freedom. The Peterson Identification System has been called the greatest invention since binoculars, and the Peterson Field Guides® are credited with helping to set the stage for the environmental movement.

Users Review

From reader reviews:

Bethany Christiansen:

As people who live in typically the modest era should be upgrade about what going on or details even knowledge to make all of them keep up with the era which can be always change and move forward. Some of you maybe will update themselves by studying books. It is a good choice for yourself but the problems coming to a person is you don't know which one you should start with. This A Field Guide to the Birds of Britain and Europe (Peterson Field Guide) is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Nick Zapata:

Information is provisions for those to get better life, information nowadays can get by anyone with everywhere. The information can be a understanding or any news even a huge concern. What people must be consider while those information which is inside former life are difficult to be find than now could be taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you receive the unstable resource then you buy it as your main information you will see huge disadvantage for you. All of those possibilities will not happen in you if you take A Field Guide to the Birds of Britain and Europe (Peterson Field Guide) as the daily resource information.

Pearl Dyson:

Reading a e-book tends to be new life style in this era globalization. With reading you can get a lot of

information that will give you benefit in your life. Together with book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Lots of author can inspire their very own reader with their story or even their experience. Not only the storyplot that share in the guides. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors on earth always try to improve their proficiency in writing, they also doing some study before they write on their book. One of them is this A Field Guide to the Birds of Britain and Europe (Peterson Field Guide).

Harry Baxter:

Reading a book make you to get more knowledge as a result. You can take knowledge and information originating from a book. Book is prepared or printed or illustrated from each source in which filled update of news. Within this modern era like right now, many ways to get information are available for you. From media social like newspaper, magazines, science guide, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Are you ready to spend your spare time to spread out your book? Or just seeking the A Field Guide to the Birds of Britain and Europe (Peterson Field Guide) when you necessary it?
