Bill Mauldin: A Life Up Front By Todd DePastino

“A deeply felt, vivacious and wonderfully illustrated biography.” —Clancy Sigal,
Los Angeles Times Book Review

A self-described “desert rat” who rocketed to fame at the age of twenty-two, Bill Mauldin used flashing black brush lines and sardonic captions to capture the world of the American combat soldier in World War II. His cartoon dogfaces, Willie and Joe, appeared in *Stars and Stripes* and hundreds of newspapers back home, bearing grim witness to life in the foxhole. We’ve never viewed war in the same way since. This lushly illustrated biography draws on private papers, correspondence, and thousands of original drawings to render a full portrait of a complex and quintessentially American genius.

Editorial Review

From Publishers Weekly

Historian DePastino (*Citizen Hobo*) eloquently memorializes cartoonist Bill Mauldin, who won fame as the leading spokesman for the American combat soldier during World War II, in this authoritative biography. Mauldin (1921–2003) grew up in Depression-era New Mexico in a dysfunctional family. After studying at the Chicago Academy of Fine Arts for one year, he joined the newly mobilized 45th Infantry Division of the Arizona National Guard. Mauldin then became the *45th Division News*'s cartoonist. Deployed to North Africa in 1943, Mauldin participated in the invasions of Sicily and Italy. In 1944, while on staff at the GI newspaper *Stars and Stripes*, Mauldin created his signature characters, the weary and disheveled infantrymen Willie and Joe. Willie and Joe became soldiers' heroes and anathema to brass such as Gen. George Patton, who threatened to throw Mauldin in jail for his characters' indolence. After the war, Mauldin published bestselling cartoon collections, worked briefly as an actor, ran unsuccessfully for Congress and ended his career with two Pulitzer Prizes for editorial cartooning. Thoroughly researched and sprightly written, DePastino's balanced biography is a solid introduction to an American original. Classic Mauldin cartoons are an entertaining bonus. (Feb.)

From [Bookmarks Magazine](#)

Every critic who reviewed *A Life Up Front* welcomed this biography; apart from Mauldin's own memoir, *Back Home* (1947), it is the first full-length biography of the man. Because DePastino was the first to provide such a work, critics were inclined to be forgiving even when they found failings, such as a focus on career over personal life. The book's sympathetic subject and engaging illustrations couldn't have hurt either. While a few reviewers suspected DePastino of hero worship, they also appreciated his thorough research and his candor in describing the difficult episodes of Mauldin's later life. Given the usual glowing treatment of "The Greatest Generation" and "The Good War," the overall assessment was that *A Life Up Front* is a respectful but balanced biography.

Review

DePastino's bio serves not only as an appreciation of Mauldin's artistry but also as a complex portrait of an iconoclast who started out as the Greatest Generation's court jester but grew to become its conscience.

Users Review

From reader reviews:

Helen Arnold:

What do you concerning book? It is not important along? Or just adding material when you really need something to explain what yours problem? How about your spare time? Or are you busy man? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have spare time? What did you do? Everybody has many questions above. They should answer that question since just their can do in which. It said that about reserve. Book is familiar in each person. Yes, it is suitable. Because start from on pre-school until university need this kind of Bill Mauldin: A Life Up Front to read.

Kevin Hamby:

As people who live in the actual modest era should be upgrade about what going on or data even knowledge to make them keep up with the era and that is always change and move forward. Some of you maybe may update themselves by reading through books. It is a good choice for you but the problems coming to anyone is you don't know which one you should start with. This Bill Mauldin: A Life Up Front is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

Joseph Cosgrove:
