HerStory is a collection of short stories – true tales of heartache, triumph, imperfections, joys, sorrows, and the lessons we've learned from our unique experiences. From excruciating breakups, to discovering bravery through global travel, to French fries flying across the airport terminal and beyond, these stories will make you kneel over in laughter, grimace in anger, and maybe even shed a tear of sadness. We are 29 women, forever connected through a bond of sisterhood, formed in college who endeavored to pen an introspective reflection of the paths we've traveled as we've navigated unique journeys to womanhood. This is a snapshot of ever-evolving narratives with twists and turns, triumphs and challenges. We invite you to sneak a peak at the pages of our journals. We told our stories... What's yours?
