### **Editorial Review**

#### **Review**

This collection brings together ten retold fairytales by such talented authors as Julia Talbot, Catherynne Valente and Erzebet YellowBoy. Each one offers a new take on old favorites like The Pied Piper of Hamelin and Cinderella, all redone with a lesbian twist. The Little Mermaid and Cinderella find each other, leaving Prince Charming to his own devices. Sleeping Beauty finds a new true love and the tale a new Beauty. A princess in a tower is rescued by a mysterious horseman who is more than he seems.

Not all the stories are romantic. Death and violence appear, just like they did in the original tales. The haunting and disturbing "Bones Like Black Sugar" has Gretel fleeing her boorish brother to return to the witch's house and dream her alive. "Voce" gives us two young women separated by abuse and jealousy, one blessed with gold with every word she utters, the other cursed with toads whenever she speaks.

But despite the obstacles, each heroine finds her voice and her way, and often, her true love. Sleeping Beauty, Indeed is a must read for everyone who ever rewrote the old stories in her head, searching for nuance and subtext. It is long past time that we had fairytales written about and for ourselves.

#### **From the Publisher**

This anthology was originally released as an e-book in 2006. It contains "Voce" by Kimberly DeCina, which was a finalist for the Gaylactic Spectrum Award.

### **Users Review**

#### **From reader reviews:**

##### **Stephen Stover:**

Book is definitely written, printed, or outlined for everything. You can understand everything you want by a reserve. Book has a different type. As you may know that book is important factor to bring us around the world. Adjacent to that you can your reading ability was fluently. A publication Sleeping Beauty, Indeed & Other Lesbian Fairytales will make you to always be smarter. You can feel far more confidence if you can know about almost everything. But some of you think which open or reading some sort of book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you in search of best book or acceptable book with you?

##### **Jane Nelsen:**

Nowadays reading books become more and more than want or need but also be a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The details you get based on what kind of book you read, if you want have more knowledge just go with knowledge books but if you want feel happy read one having theme for entertaining including comic or novel. The Sleeping Beauty, Indeed & Other Lesbian Fairytales is kind of reserve which is giving the reader erratic experience.

**Julian Eaton:**
