### The Book of Fate By Brad Meltzer

*"Six minutes from now, one of us would be dead. None of us knew it was coming."*

So says Wes Holloway, a young presidential aide, about the day he put Ron Boyle, the chief executive's oldest friend, into the president's limousine. By the trip's end, a crazed assassin would permanently disfigure Wes and kill Boyle. Now, eight years later, Boyle has been spotted alive. Trying to figure out what really happened takes Wes back into disturbing secrets buried in Freemason history, a decade-old presidential crossword puzzle, and a two-hundred-year-old code invented by Thomas Jefferson that conceals secrets worth dying for.

## Editorial Review

From Publishers Weekly

Set against a backdrop of Oval Office corruption, bestseller Meltzer's overblown thriller opens with a frantic assassination attempt on President Leland Manning, who manages to elude the gunfire. Manning's deputy chief of staff, Ron Boyle, is killed, and his top aide, the cocky, ambitious Wes Holloway, is left facially disfigured. Eight years later, his motivation and confidence drained by his handicap, Holloway still toils away for the out-of-office Manning, fetching refreshments and handling the daily social calendar. On a goodwill junket to Malaysia, however, Holloway spots Boyle, surgically altered, but unmistakably the same man who was supposed to be dead and gone. From this turning point, Meltzer (*The Zero Game*) follows Holloway step by excruciatingly slow step as he tries to find out what really happened eight years earlier. Authentic details about Washington politics and historical mysteries enliven the predictable path. While readers looking for efficient plotting may be disappointed, Meltzer's many fans will enjoy this substantial meal of a book. *15-city author tour. (Sept.)*

Wes Holloway, a hotshot presidential aide, is wounded in an assassination attempt that kills the president's close friend. Eight years later, the dead man reappears, disfigured but very much alive and apparently stalking the former president. Wes thinks he can figure out what's going on, but to do so he must decipher a two-century-old code and penetrate the secrets of Masonic history. From his first novel, *The Tenth Justice* (1997), through his sixth, *Identity Crisis* (2005), Meltzer has served up exciting thrillers that take readers behind the scenes of American politics. The pattern doesn't change this time. Like the television series *The West Wing*, Meltzer's novels focus on the political people the public never sees and tells the stories we never hear. He could be accused here of jumping on the *Da Vinci Code* bandwagon, but that wouldn't really be fair. He's too good a writer to waste his time imitating someone else's work, and this novel is much more skillfully written--and far more plausible--than Dan Brown's tedious best-seller. The characters are genuine human beings--not all that common in the world of high-concept thrillers--and the plot fluidly integrates historical fact and fiction, which is even less common. Fans of thrillers that reach far back into history will be, well, . . . thrilled. *David Pitt*

Review

"Meet the next John Grisham." (MIAMI HERALD)

"Meltzer is so good." (ENTERTAINMENT WEEKLY)

"Meltzer has earned the right to belly up to the bar with John Grisham, Scott Turow, and David Baldacci." (PEOPLE)

## Users Review

From reader reviews:

**Donna Barragan:**

Reading a reserve tends to be new life style in this particular era globalization. With reading you can get a lot

of information that can give you benefit in your life. With book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Many author can inspire their own reader with their story or perhaps their experience. Not only the story that share in the books. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on this planet always try to improve their skill in writing, they also doing some research before they write with their book. One of them is this The Book of Fate.

**Jose Weitzman:**

A lot of people always spent their very own free time to vacation or perhaps go to the outside with them household or their friend. Did you know? Many a lot of people spent that they free time just watching TV, or perhaps playing video games all day long. If you wish to try to find a new activity this is look different you can read a book. It is really fun for you. If you enjoy the book that you read you can spent the entire day to reading a e-book. The book The Book of Fate it is quite good to read. There are a lot of folks that recommended this book. These were enjoying reading this book. In case you did not have enough space to deliver this book you can buy the actual e-book. You can m0ore quickly to read this book through your smart phone. The price is not to fund but this book has high quality.

**Sean Martinez:**

Your reading 6th sense will not betray an individual, why because this The Book of Fate e-book written by well-known writer who knows well how to make book that may be understand by anyone who read the book. Written with good manner for you, leaking every ideas and composing skill only for eliminate your current hunger then you still doubt The Book of Fate as good book not merely by the cover but also through the content. This is one publication that can break don't assess book by its cover, so do you still needing an additional sixth sense to pick this!? Oh come on your reading sixth sense already alerted you so why you have to listening to one more sixth sense.

**John Coffin:**

Many people said that they feel uninterested when they reading a book. They are directly felt this when they get a half regions of the book. You can choose often the book The Book of Fate to make your reading is interesting. Your personal skill of reading talent is developing when you including reading. Try to choose simple book to make you enjoy to see it and mingle the impression about book and reading especially. It is to be very first opinion for you to like to open up a book and examine it. Beside that the book The Book of Fate can to be a newly purchased friend when you're sense alone and confuse with the information must you're doing of their time.
