The Vile Village (A Series of Unfortunate Events, Book 7) By Lemony Snicket

Dear Listener,

Nobody in their right minds would listen to this particular book about the lives of Violet, Klaus and Sunny Baudelaire on purpose, because each dismal moment of their stay at the village of V.F.D. has been faithfully and dreadfully recorded on this CD.

I can think of no reason why anyone would want to listen to a book containing such unpleasant matters as migrating crows, an angry mob, a newspaper headline, the Duluxe Cell, and some very strange hats.

I also shouldn't mention the interactive features of the CD, which include:

A perplexing word game • Photos from The Lemony Snicket Archives • Art from The Brett Helquist gallery

It is my solemn and sacred occupation to research each detail of the Baudelaire children's lives and write them all down, but you may decide to do some other sacred and solemn thing, such as listening to another book instead.

With all due respect,
Lemony Snicket

Editorial Review

Amazon.com Review

The seventh book in Lemony Snicket's splendidly gloomy Series of Unfortunate Events shadows the three Baudelaire orphans as they plummet headlong into their next misadventure. Mr. Poe, their ineffective legal guardian, having exhausted all options for finding them a new home with relatives (including their 19th cousin), sadly entrusts his young charges' fate to a progressive guardian program formed with the premise "It takes a village to raise a child." Before they know it, the Baudelaires are being whisked off on a bus to a village (vile) named "V.F.D." Snicket fans who read *The Austere Academy* and *The Ersatz Elevator* will jump to see these three initials, as they provide a clue to the tragic disappearance of the Baudelaires' friends, the beloved, equally orphaned Quagmire triplets.

To the orphans' dismay, V.F.D. is covered in crows--so much so that the whole village is pitch-black and trembling. "The crows weren't squawking or cawing, which is what crows often do, or playing the trumpet, which crows practically never do, but the town was far from silent. The air was filled with the sounds the crows made as they moved around." Another disturbing element of the town is that the Council of Elders (who wear creepy crow hats) has thousands of rules, such as "don't hurt crows" and "don't build mechanical devices." Fortunately, the Baudelaires are taken in by a kindly handyman named Hector who cooks them delicious Mexican food and secretly breaks rules. Still, neither Hector nor an entire village can protect the orphans from the clutches of the money-grubbing Count Olaf, who has relentlessly pursued them (actually, just their fortune) since *The Bad Beginning*. Fans won't want to miss any of this marvelously morbid series! (Ages 9 and older) --Karin Snelson

From School Library Journal

Grade 4-6-The resourceful, likable, but extremely unlucky orphans Violet, Klaus, and baby Sunny continue to flee from the clutches of the fortune-hunting, disguise-wearing Count Olaf. Also, they need to discover the whereabouts of their kidnapped friends, Duncan and Isadora Quagmire, based on the puzzling clue "V.F.D." In *Elevator*, the three Baudelaires go to live in the penthouse of the trend-following Jerome and Esmé Squalor, who adopt the children because orphans are "in." Despite the Baudelaires' resourcefulness, both Olaf and the Quagmires elude the grasp of the authorities due to the obtuseness of adults who, until it is too late, deny that terrible things can happen. In *Village*, the Baudelaires travel to V.F.D., a village that adopts the orphans based on the aphorism, "it takes a village to raise a child." They uncover the whereabouts of the Quagmires, but, as in the earlier books, they find neither respite nor peace from Count Olaf's machinations. Despite Snicket's artful turning of clichés on their well-worn heads, *Elevator* sometimes belabors the fallacy of fads at the expense of plot. Nonetheless, the satiric treatment of adults' insistence upon decorum at the expense of truth is simultaneously satisfying and unsettling, as are the deft slams at slant journalism in *Village*. Arch literary allusions enhance the stories for readers on different levels. Despite Snicket's perpetual caveats to "put this book down and pick up another one," the Baudelaires are dynamic characters who inspire loyalty to the inevitable end of the series.

Reviewed with Lemony Snicket's *The Ersatz Elevator*.

Gr. 3-6. *The Ersatz Elevator* , "Book the Sixth," in A Series of Unfortunate Events, opens with the hapless

Baudelaire orphans, Violet, Klaus, and Sunny, climbing up very dark stairs to the penthouse, the home of their new guardians, Mr and Mrs. Squalor. Genial Mr. Squalor seems genuinely delighted to have the children. Mrs. Squalor is a different matter: her life is ruled by "what's in" (aqueous martinis, pinstripe suits, and orphans) and "what's out" (alcoholic martinis, light, and elevators). Mr. Squalor's life is ruled by Mrs. Squalor. Children will enjoy the humorous barbs aimed at Mrs. Squalor and her ilk. The plot thickens with the reappearance of the nefarious Count Olaf, first in disguise to do his dastardly deeds and then unmasked to sneer at the Baudelaires. "Book the Seventh," *The Vile Village*, pokes wicked fun at the saying "It takes a village to raise a child" and at aphorisms in general: "The quoting of an aphorism, like the angry barking of a dog or the smell of overcooked broccoli, rarely indicates that something helpful is about to happen." Sure enough, the Baudelaires are soon adopted by an entire town whose inhabitants look upon the orphans as free labor. The Baudelaires struggle to solve the riddling messages that could lead them to rescue the Quagmire triplets, while trying to avoid being burned at the stake. Series fans will enjoy the quick pace, entertaining authorial asides, and over-the-top characterizations, and Brett Helquist's droll pencil drawings will add to their reading pleasure. *Carolyn Phelan*

Users Review

From reader reviews:

Anthony Jarrard:

Why don't make it to be your habit? Right now, try to ready your time to do the important take action, like looking for your favorite guide and reading a publication. Beside you can solve your condition; you can add your knowledge by the book entitled *The Vile Village* (A Series of Unfortunate Events, Book 7). Try to make book *The Vile Village* (A Series of Unfortunate Events, Book 7) as your friend. It means that it can be your friend when you feel alone and beside regarding course make you smarter than previously. Yeah, it is very fortunate to suit your needs. The book makes you a lot more confidence because you can know every thing by the book. So, let me make new experience along with knowledge with this book.

Tasha Banda:

As people who live in typically the modest era should be up-date about what going on or facts even knowledge to make these people keep up with the era which can be always change and make progress. Some of you maybe may update themselves by looking at books. It is a good choice to suit your needs but the problems coming to a person is you don't know what type you should start with. This *The Vile Village* (A Series of Unfortunate Events, Book 7) is our recommendation to make you keep up with the world. Why, because this book serves what you want and want in this era.

Audrey Spence:

As we know that book is important thing to add our information for everything. By a reserve we can know everything you want. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year has been exactly added. This reserve *The Vile Village* (A Series of Unfortunate Events, Book 7) was filled about science. Spend your time to add your knowledge about your technology competence. Some people has several feel when they reading some sort of book. If you know how big benefit of a book, you can really feel enjoy to read a guide. In the modern era like now, many ways to get book you wanted.

Rona Foret:

As a scholar exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's internal or real their pastime. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Vile Village (A Series of Unfortunate Events, Book 7) can make you experience more interested to read.
