## **Gender Matters in Global Politics: A Feminist Introduction to International Relations** From Routledge

*Gender Matters in Global Politics* is a comprehensive textbook for advanced undergraduates studying feminism & international relations, gender and global politics and similar courses. It provides students with an accessible but in-depth account of the most significant theories, methodologies, debates and issues.

This textbook is written by an international line-up of established and emerging scholars from a range of theoretical perspectives, providing students with provocative and cutting-edge insights into the study and practices of (how) gender matters in global politics.

Key features and benefits of the book:

- Introduces students to the wide variety of feminist and gender theory and explains the relevance to contemporary global politics.
- Explains the insights of feminist theory for a range of other disciplines including international relations, international political economy and security studies.
- Addresses a large number of key contemporary issues such as human rights, trafficking, rape as a tool of war, peacekeeping and state-building, terrorism and environmental politics.
- Features extensive pedagogy to facilitate learning – seminar exercises, text boxes, photographs, suggestions for further reading, web resources and a glossary of key terms.

In this innovative and groundbreaking textbook gender is represented as a noun, a verb and a logic, allowing both students and lecturers to develop a sophisticated understanding of the crucial role that gender plays in the theories, policies and practices of global politics.

### Editorial Review

#### Review

**‘Feminist IR isn’t a static thing. It is something you try to *do*. As the contributors to this lively book show, to engage in the hard and invigorating work of doing feminist IR means to think and re-think, to listen and re-listen, to explore and re-explore.’** - *Cynthia Enloe, Clark University*

**‘The authors of this textbook convincingly demonstrate the importance of putting on our gendered lenses to fully understand a broad array of issues in global politics. A valuable resource for teachers and students of international relations.’** - *J. Ann Tickner, School of International Relations, University of Southern California*
