Quarantine #1: The Loners By Lex Thomas

"As original as *The Hunger Games*, set within the walls of a high school exactly like yours." - Kami Garcia, *New York Times* best-selling co-author of the *Beautiful Creatures* novels

It was just another ordinary day at McKinley High--until a massive explosion devastated the school. When loner David Thorpe tried to help his English teacher to safety, the teacher convulsed and died right in front of him. And that was just the beginning.

A year later, McKinley has descended into chaos. All the students are infected with a virus that makes them deadly to adults. The school is under military quarantine. The teachers are gone. Violent gangs have formed based on high school social cliques. Without a gang, you're as good as dead. And David has no gang. It's just him and his little brother, Will, against the whole school.

In this frighteningly dark and captivating novel, a 2012 *Booklist* Editor's Choice, Lex Thomas locks readers inside a school where kids don't fight to be popular, they fight to stay alive.

"Take Michael Grant's *Gone* and Veronica Roth's *Divergent*, rattle them in a cage until they're ready to fight to the death, and you'll have something like this nightmarish debut...Thomas' whirlwind pace, painful details, simmering sexual content, and moments of truly shocking ultra-violence thrust this movie-ready high school thriller to the head of the class." - *Booklist* (starred review)

Editorial Review

Review

"The best high-concept YA thriller of the year is this paranoia-soaked novel in which an infected Colorado high school is quarantined by the government, leading to various cliques that transform into warring tribes. Gritty and fearless." - *Booklist*

"... (a) high-concept mashup, tossing Walter Hill's *The Warriors* into a high school setting and seeding it with elements of *Lord of the Flies*." - *Publishers Weekly*

"Quarantine thrives on themes of human nature and an ultra-realistic tone. Unpredictable, gory, and full of death and despair, this story is not for the light-hearted." - *VOYA*

"You will not be able to put this book down." - *Huffington Post Books*

About the Author

Lex Thomas is the pen name used by the writing team of Lex Hrabe and Thomas Voorhies. Lex and Thomas met in a writers' group in Los Angeles. Their friendship developed as they tried to blow each other's minds with clips from bizarre movies. Soon after, they became a screenwriting team and found that writing with a friend is much more fun than doing it alone. QUARANTINE: THE LONERS is their first novel.
