From SAGE Publications Ltd

## The Complete Guide to Becoming an English Teacher From SAGE Publications Ltd

This essential companion for aspiring secondary English teachers in the UK has been extensively reworked to help students meet the very latest professional and academic standards, while also equipping them with the knowledge and skills they will need for the beginning of their teaching career.

Focusing on the essentials needed to be a successful English teacher, the authors of **The Complete Guide to Becoming an English Teacher, Second Edition** combine subject knowledge with ideas, examples and approaches for creating an effective, vibrant learning environment, and real examples of lesson plans and schemes of work. Each chapter clearly links practice to theoretical and critical perspectives on teaching, making this an ideal text for students working towards M-level credits or a Masters in Teaching and Learning.

### Editorial Review

#### Review

‘I could not help but admire the breadth and scope of this text. This is a book I would recommend to all, no matter what route they take to train as a teacher of English. It is aimed at secondary teachers but would be equally useful for those preparing to teach in further education. Not only does it provide concise and balanced accounts of key pedagogic issues, it also includes a range of interesting and engaging lesson suggestions. This book does cover a lot of ground with excellent chapters on planning, assessment, teaching reading and teaching poetry.

**This is a text that should accompany every student teacher of English and find its way on to the shelf of all practising teachers.** This book excited me. It is written in a style that makes you want to try out activities and take up challenges. This book will encourage the student teacher to embrace the subject of English along with its associated values and debates’ - *ESCalate*

‘I was most impressed.... Anyone following the modules as they are would learn a huge amount and benefit so much from them’ - *Donna Bryant, Deputy Head, Camborne School and Community College, Cornwall*

‘The activities were both challenging and rewarding.... These would be useful and would promote self-reflection and the notions of personal progression and goal setting for the student’ - *Alan Jones, Assistant Headteacher, Simon Langton Boys’ School, Canterbury*

**“The Complete Guide To Becoming An English Teacher** is the perfect, 479-page introduction for anyone who is considering a career in classroom education specific to the academically related fields of English and Literature.”
