### Tigerheart By Peter David

Paul Dear is a good and clever boy, but he's special in ways that even his adoring parents could never have imagined. For by day, in London's Kensington Gardens, he walks and talks with the pixies and sprites and other magical creatures that dwell among the living—but are unseen by most. Then everything changes when tragedy strikes—and a quest begins that will lead Paul to a curio shop where a magical ally awaits him and launches him into the starry skies, bound for a realm where anything is possible. Far from home, Paul will run with fierce Indian warriors, cross swords with fearsome pirates, befriend a magnificent white tiger, and soar beside an extraordinary, ageless boy who reigns in a boundless world of imagination.

### Editorial Review

#### From [Bookmarks Magazine](#)

Peter David's vast experience in comics and media tie-ins is apparent in *Tigerheart*, a good old-fashioned Victorian story all the more appealing because it will resonate with adults and younger readers alike (though as Paul Di Filippo points out, "I don't recall the original Tinker Bell swearing quite as much as Fiddlefix"). *Tigerheart* is by turns whimsical, poignant, and touched with humor. The suspense and adventure make up for any thought that the book tries to be too many things at once: a coming-of-age tale, an adventure, a parable. David is a versatile storyteller and an accomplished stylist, and he hits all the right notes here. The novel won't replace Barrie's original, but it will make a nice companion piece to that beloved classic.

#### Review

"By far the most charming and clever reimagining of the Boy Who Never Grew Up story that I have ever encountered. Readers of all ages, prepare yourselves for a very big adventure."—Terry Brooks, author of *The Elves of Cintra*

"Peter David sees the world a bit differently from everyone else—strangely, wonderfully, stunningly differently. Reading *Tigerheart* gave me the feeling of walking a comfortably familiar road, but seeing things from angles I never knew existed. A beautiful, delightful story."—R.A. Salvatore, author of *The Orc King*

"David has blended the best of Victorian fairy tales with his own brand of originality, and produced a stunning novel. . . . The best book I've read in a long time."—The Davis Enterprise

"The voice here is one of wonder and discovery. . . . Though elements of **Tigerheart** put one instantly in mind of **Peter Pan**, this is not a retelling of J. M. Barrie's classic story. . . . If anything, it is more."—January magazine

"Simply delightful, loaded with exotic and cunning characters . . . **Tigerheart** might be one of the most clever and charming books you'll encounter this summer."—Sarasota Herald-Tribune

#### About the Author

Peter David is famous for writing some of the most popular of the original *Star Trek: The Next Generation* novels, including *Imzadi* and *A Rock and a Hard Place*. His original works include the Arthurian novel *Knight Life* and the quirky werewolf story *Howling Mad*. He single-handedly revived the classic comic book series *The Incredible Hulk* and has written just about every famous comic book superhero. He collaborated with J. Michael Straczynski on the *Babylon 5* comic book series, and with Bill Mumy, he created the Nickelodeon television series *Space Cases*. In his spare time, he writes movie screenplays, children's books, and TV scripts (including *Babylon 5*).

### Users Review

#### From reader reviews:

##### Wendy Brame:

This *Tigerheart* are generally reliable for you who want to certainly be a successful person, why. The main

reason of this Tigerheart can be on the list of great books you must have will be giving you more than just simple reading through food but feed a person with information that probably will shock your previous knowledge.
