**Best Kept Secret (Clifton Chronicles Book 3) By Jeffrey Archer**

Jeffrey Archer's mesmerizing saga of the Clifton and Barrington families continues...

1945, London. The vote in the House of Lords as to who should inherit the Barrington family fortune has ended in a tie. The Lord Chancellor's deciding vote will cast a long shadow on the lives of Harry Clifton and Giles Barrington. Harry returns to America to promote his latest novel, while his beloved Emma goes in search of the little girl who was found abandoned in her father's office on the night he was killed. When the general election is called, Giles Barrington has to defend his seat in the House of Commons and is horrified to discover who the Conservatives select to stand against him. But it is Sebastian Clifton, Harry and Emma's son, who ultimately influences his uncle's fate.

In 1957, Sebastian wins a scholarship to Cambridge, and a new generation of the Clifton family marches onto the page. But after Sebastian is expelled from school, he unwittingly becomes caught up in an international art fraud involving a Rodin statue that is worth far more than the sum it raises at auction. Does he become a millionaire? Does he go to Cambridge? Is his life in danger? *Best Kept Secret*, the third volume in Jeffrey Archer's bestselling series, will answer all these questions but, once again, pose so many more.

### Editorial Review

From Publishers Weekly

Starred Review. An artful blend of colorful characters, seething resentment, calculated revenge, and a shocking, tragic cliffhanger distinguishes Archer's third volume of The Clifton Chronicles. Picking up where *The Sins of the Father* left off, readers discover whether Giles Barrington or Harry Clifton will inherit the late Hugo Barrington's fortune. Harry becomes a successful novelist and marries his true love Emma Barrington; they adopt a daughter with a secret past to join their son Sebastian. Poor smitten, likeable Giles, fighting for his political life as a member of Parliament, is lovesick for the scheming, vindictive Lady Virginia, whom he marries. Sensing disaster, on her death bed Lady Elizabeth Barrington writes Lady Virginia out of the will, prompting the unpopular Lady Virginia to enlist Giles' nemesis, Major Alex Fisher, as she plots her way to the Barrington fortune. Sebastian becomes a young man, sowing his wild oats and naively getting mixed up with a school chum's nefarious father and his sketchy business. Business-savvy Emma earns a college degree, intending to join the family shipping empire. Archer provides a pitch-perfect continuation of the Clifton family saga; his shrewd twists and turns are addictive from the get-go, and he stuns with his signature series sign-off, a cliffhanger leaving readers longing for its resolution. Archer's epic-sized family saga, the Clifton Chronicles, continues in this third volume (following *The Sins of the Father*, 2012). It's the 1950s, and Harry Clifton and his best friend (and possibly half-brother), Giles Barrington, are battling over who will inherit the estate and title of Hugo Barrington. The outcome of the battle sparks one of the book's main story lines, which involves a shocking revelation in Hugo's will and what that spells for Giles' seemingly happy marriage and perhaps his career as a member of Parliament. Meanwhile, Harry, a best-selling author, has his own problems: his son is refused admission to a tony grammar school and soon gets mixed up in some unsavory goings-on. Running underneath everything is the story that forms the spine of the saga: the relationship between Harry and Giles, boyhood friends whose mutual affection is threatened by the demands of adulthood. No family saga would be complete without a villain, and this book has a good one, a well-drawn and believable character whose motivations are understandable. This thoroughly engaging old-school, multigenerational saga harks back to the work of Malcolm Macdonald, Belva Plain, and Irwin Shaw. **HIGH-DEMAND BACKSTORY:** Archer has backed up a long-running track record for commercial fiction with a powerful social network, including 142,000 likes on Facebook. --David Pitt
