## Doing Pragmatics By Peter Grundy

*Doing Pragmatics* achieved success through its unparalleled capacity to render pragmatics truly accessible to students. Embracing the comprehensive and engaging style which characterised the previous editions, the third edition is fully revised and expanded. Grundy consolidates the strengths of the original version, reinforcing its unique combination of theory and practice with new theory, exercises and up-to-date, real data and examples. New chapters include pragmatic inference and language evolution, and intercultural pragmatics. *Doing Pragmatics* is designed for pragmatics courses both at an introductory and a more advanced level. It extends beyond theory to promote an applied understanding of empirical data and to provide students with the opportunity to 'do' pragmatics themselves, providing the ideal foundation for all those studying linguistics and ELT.

## **Editorial Review**

### **Review**

The second edition of Doing Pragmatics presents itself as a remarkably comprehensive book and a valuable resource for beginners in the study of pragmatics

Language 79/1

In 'Doing Pragmatics' Grundy manages to come up with a fresh, strongly pedagogically orientated textbook which provides a step by step tour of the main topics of concern to pragmaticists alongside a detailed and carefully designed working plan for beginning students.

Pragmatics and Cognition
