Forge of Darkness (The Kharkanas Trilogy Book 1) By Steven Erikson

Now is the time to tell the story of an ancient realm, a tragic tale that sets the stage for all the tales yet to come and all those already told...

It's a conflicted time in Kurald Galain, the realm of Darkness, where Mother Dark reigns. But this ancient land was once home to many a power. and even death is not quite eternal. The commoners' great hero, Vatha Urusander, is being promoted by his followers to take Mother Dark's hand in marriage, but her Consort, Lord Draconus, stands in the way of such ambitions. The impending clash sends fissures throughout the realm, and as the rumors of civil war burn through the masses, an ancient power emerges from the long dead seas. Caught in the middle of it all are the First Sons of Darkness, Anomander, Andarist, and Silchas Ruin of the Purake Hold...

Steven Erikson entered the pantheon of great fantasy writers with his debut *Gardens of the Moon*. Now he returns with the first novel in a trilogy that takes place millennia before the events of the *Malazan Book of the Fallen* and introduces readers to Kurald Galain, the warren of Darkness. It is the epic story of a realm whose fate plays a crucial role in shaping the world of the Malazan Empire.

Editorial Review

From [Booklist](#)

The creator of the vast and vastly popular Malazan Book of the Fallen now launches a trilogy intended to provide the background for the original 10-volume epic. In Kurald Galain, the Warren of Darkness, Mother Dark herself is supposed to reign and, incidentally, keep all the various magical forces at least minimally under control. But she has married a foreigner, Lord Draconus--always a questionable move when there's a rival for her hand. In this case, the rival is the hero of the people, Vatha Urusander, and this rivalry is generating tension and intrigues on an alarming scale. Not the least alarmed are the three Sons of Darkness, who wonder whether their heritage, Purake Hold, will survive the time of troubles. Readers who have survived the original saga (more than a few) will certainly jump into this one, and new readers may besiege the libraries because of Erikson's epic's resemblance to George R. R. Martin's best-selling Game of Thrones. --Roland Green

Review

"Forge of Darkness is brilliant and far exceeds any and all expectations that readers of 'The Malazan Book of the Fallen' could possibly harbour...I think we all wondered how Erikson could possibly follow up arguably the best fantasy series of all time. Forge of Darkness will dispel any and all doubters (if any do indeed still exist out there) that Steven Erikson is the best writer on the planet." SFSITE "Forge of Darkness is, quite frankly, remarkable...Erikson should be raised up as a standadrd bearer, representing the best of the best of those books we would love to be more loved - those that are intellctually nutritious as well as artistically delicious." TOR.COM

About the Author

Steven Erikson was born in Toronto, grew up in Winnipeg, and then lived in the UK for several years with his wife and son. They recently returned to Winnipeg. He spent nearly twenty years working as an anthropologist and archaeologist, which shines quite clearly in the depth and breadth of the various societies, peoples, and cultures in his books. He is a graduate of the Iowa Writer's Workshop.

Users Review

From reader reviews:

Matthew Coleman:

Reading a publication tends to be new life style within this era globalization. With studying you can get a lot of information which will give you benefit in your life. Using book everyone in this world can certainly share their idea. Books can also inspire a lot of people. A lot of author can inspire all their reader with their story or maybe their experience. Not only the storyline that share in the publications. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on earth always try to improve their expertise in writing, they also doing some exploration before they write on their book. One of them is this Forge of Darkness (The Kharkanas Trilogy Book 1).

Tracy Lindsey:

Spent a free the perfect time to be fun activity to do! A lot of people spent their leisure time with their family, or all their friends. Usually they accomplishing activity like watching television, gonna beach, or picnic in the park. They actually doing same every week. Do you feel it? Do you wish to something different to fill your current free time/ holiday? Can be reading a book is usually option to fill your no cost time/ holiday. The first thing that you ask may be what kinds of guide that you should read. If you want to test look for book, may be the publication untitled Forge of Darkness (The Kharkanas Trilogy Book 1) can be fine book to read. May be it might be best activity to you.

Michael Burr:

Why? Because this Forge of Darkness (The Kharkanas Trilogy Book 1) is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will surprise you with the secret that inside. Reading this book beside it was fantastic author who write the book in such awesome way makes the content inside easier to understand, entertaining method but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of gains than the other book possess such as help improving your skill and your critical thinking way. So , still want to delay having that book? If I ended up you I will go to the e-book store hurriedly.

Sarah Winship:

A lot of reserve has printed but it is unique. You can get it by world wide web on social media. You can choose the top book for you, science, witty, novel, or whatever by simply searching from it. It is referred to as of book Forge of Darkness (The Kharkanas Trilogy Book 1). Contain your knowledge by it. Without leaving behind the printed book, it may add your knowledge and make you happier to read. It is most essential that, you must aware about e-book. It can bring you from one location to other place.
