**Prebles Artforms ALC plus REVEL Access Card (11th Edition)** By Duane Preble Emeritus, Sarah Preble, Patrick L. Frank

*We form art. Art forms us.*

The title of this book has a dual meaning. As humans form works of art, we are in turn formed by what we create. The art world constantly evolves, as today's artists interpret, challenge, and ultimately create the world around them. The 11<sup>th</sup> edition of *Prebles' Artforms* reflects this dynamic environment; it is one of the most exhaustive revisions in the book's history. Three recent trends drive this edition: changing pedagogical needs, new scholarly research, and recent creativity by artists around the world.

MyArtsLab is an integral part of the *Prebles' Artforms* program. Engaging activities and assessment provide a teaching and learning system that helps students experience and interact with art. Key learning tools include ART 21 videos, Studio Technique videos, and our hallmark Closer Look tours of works of art.

### Editorial Review

#### Review

“It is a very rich book. The author obviously has much knowledge and is impassioned about his text.”

-Marsha Anderson, *North Lake College*

“[The 'We Form Art' and 'Art Forms Us' boxes] are such a critical tool in trying to illustrate the relevance of art to those that are not art majors.”

-Paul Benero, *Tarrant County College*

“Ideas like catching Part openers, the brief timeline and the learning objectives help get the reader oriented toward deciphering what they are reading about. Including an iconic work along with more obscure ones helps students start in a comfort zone from which they will branch out.”

-Joan Bontempo, *Hagerstwon Community College*

“The content plan for the 11th edition truly takes another look at this excellent textbook with the goal of responding even more effectively to the needs of 21st century teachers and learners.”

-Timothy Jones, *Oklahoma City Community College/ University of Oklahoma*
