Queen of Babble Gets Hitched By Meg Cabot

Big Mouth, Big Heart, Big City . . . Big Problems

Things are looking up at last for Lizzie Nichols. She has a career she loves in the field of her choice (wedding gown restoration), and the love of her life, Jean-Luc, has finally proposed. Life's become a dizzying whirl of wedding gown fittings—not necessarily her own—as Lizzie prepares for her dream wedding at her fiancé's château in the south of France.

But the dream soon becomes a nightmare when the best man—whom Lizzie might once have accidentally slept with...no, really, just *slept*—announces his total lack of support for the couple, a sentiment seconded by the maid of honor; Lizzie's Midwestern family can't understand why she doesn't want to have her wedding in the family backyard; her future French in-laws are trying to lure the groom back into investment banking; and Lizzie finds herself wondering if her Prince Charming really is as charming as she once believed.

Editorial Review

From Publishers Weekly

When last seen, the irrepressible Lizzie Nichols was canoodling with Chaz after she and Luke, Chaz's best friend, broke up (*Queen of Babble in the Big City*, 2007). Now—shocker alert—Luke returns to New York and slips a three-carat diamond engagement ring on her finger. Lizzie accepts even though she's still all googly over Chaz, who bluntly warns Lizzie that Luke's all about Luke and couldn't love her the way he does. Lizzie, a wedding dress restorer and budding designer specializing in wedding garb, faces a hives-inducing decision: dump rich Luke, who wants to be an investment banker in Paris, and hook up with Chaz, who wants to teach? Or should she marry Luke and ditch New York for Paris? And then there's the matter of her burgeoning design business, helped along by Ava Geck, a Paris Hilton-like celebrity heiress. Cabot takes full advantage of the material, delivering her trademark wit, sharp banter and lively antics from the first page. Fans of the series have another one to savor. (*July*)

Lizzie Nichols should be the happiest girl in the universe. The phone has been ringing off the hook ever since a wedding gown she restored appeared in the New York Times. Her wealthy ex-boyfriend, Luke de Villier, has decided their breakup was a mistake and has finally proposed. But Lizzie made the mistake of sleeping with Chaz, Luke's best friend, during the brief hiatus in her relationship with Luke, and now she spends more time thinking about Chaz than her fiancé. In addition to an angst-ridden heroine and a loyal, waiting-in-the-wings hero, Cabot's novel is filled with unforgettable, quirky characters. There's Lizzie's bad-mouthed, cooking sherry-guzzling granny; a spoiled, self-centered fiancé; a best friend who is a newly outed lesbian; and a high-strung assistant. Celebrities demanding a Lizzie Nichols' creation include a familiar, gum-popping, red-carpet regular always accompanied by her shivering Chihuahua and bodyguard. To add to the fun, each chapter begins with wedding trivia and advice. Cabot, author of the humorous Heather Wells mysteries as well as the wildly popular *Princess Diaries* series, has once again shown that she is a master at entertaining and amusing readers. --Shelley Mosley

About the Author

Meg Cabot was born in Bloomington, Indiana. In addition to her adult contemporary fiction, she is the author of the bestselling young adult fiction *The Princess Diaries* and *The Mediator* series. Over 25 million copies of her novels for children and adults have sold worldwide. Meg lives in Key West, Florida, with her husband.

Users Review
