**The Market Taker's Edge: Insider Strategies from the Options Trading Floor (Professional Finance & Investment)** By Dan Passarelli

**TRADE OPTIONS LIKE A SEASONED PRO!**

**A Trading-Floor Veteran Shares his Secrets**

"What I like about Dan's book is that it's obvious he isn't just telling you how to trade, he's telling you how *he* trades. There's always a big difference between those who teach trading from an academic standpoint and those who have traded and have the ability to walk investors step by step through the trade. For my money, I always seek advice and counsel from those that walk the walk and Dan Passarelli has walked the walk."

**Jon Najarian, cofounder Trademonster.com**

On Dan Passarelli's first day as a clerk on the exchange floor, he spent the morning observing, practicing his hand signals, and running errands. Around midday, the veteran clerk he worked with said to him, "You're up. I'm going to lunch." Dan survived his trial by fire and went on to spend many years on the trading floor. He credits his success as a trader and educator to the hands-on experience he gained throughout his career.

With *The Market Taker's Edge*, Passarelli shares the knowledge and insights other floor traders keep tight to their chests—the knowledge you need to beat the market on a regular basis.

This market maker turned market taker delivers a focused commentary on key concepts for operating in the options exchange like a pro. He offers a candid look at the ups and downs of his trading career and conveys the lessons he learned along the way in an informative and often entertaining way. After spending time on the floor in his shoes, you'll understand:

- How professional traders attempt to make money—and why it's different from the way you make money

- Why market makers are not the enemy
- How both market takers and market makers can profit while taking opposite sides of the same trade
- How to focus on what is important in a trade and avoid the noise

Dan Passarelli has already taught thousands of people how to make a living as traders, and now with *The Market Taker's Edge*, he can help you do it, too.

### Editorial Review

#### From the Back Cover

Even in today's electronic markets, market makers from the trading floor offer a rare perspective on the mechanics of the options exchange. In *The Market Taker's Edge*, trading floor veteran Dan Passarelli opens his personal playbook to making options gains consistently enough to become a successful full-time trader.

*The Market Taker's Edge* shows how to turn what you know about the market makers' strategy to your advantage. In the process, it gives you powerful strategies and tools for:

- Avoiding the zero-sum game
- Embracing and profiting from volatility
- Accurately interpreting options data
- Arbitrage and niche trading
- Effectively hedging risk

With expert coverage of the best tactical ways to enter orders, forecast, and manage your portfolio, this hands-on resource is the perfect how-to guide for trade execution.

#### About the Author

**Dan Passarelli** is the author of the book *Trading Option Greeks* and founder of Market Taker Mentoring LLC™. Market Taker Mentoring provides options education, including personalized, one-on-one mentoring for option traders. The company website is <http://www.markettaker.com>.

Dan started his trading career on the floor of the Chicago Board Options Exchange (CBOE) as an equity options market maker. He also traded agricultural options and futures on the floor of the Chicago Board of Trade. In 2005, Dan joined CBOE's Options Institute and began teaching both basic and advanced trading concepts to retail traders, brokers, institutional traders, financial planners and advisors, money managers, and market makers. In addition to his work with the CBOE, he taught options strategies at the Options Industry Council.

Dan can be reached at [dan@markettaker.com](mailto:dan@markettaker.com). He can be followed on Twitter at [twitter.com/Dan\\_Passarelli](https://twitter.com/Dan_Passarelli).
