12 Simple Technical Indicators: That Really Work (Wiley Trading) By Mark Larson

With over 200 indicators available to traders, it is impossible to pick the ones that will make money over and over again...until now.

A two-time, best-selling author and writer of a weekly commentary at www.incometrader.com, Mark Larson is an expert trader willing to share the secrets of his favorite technical tools. To maximize the power of this guide, you'll also receive the full 90-minute DVD and access to an interactive online review tool at Traders' Library's Education Corner, including self-tests that make sure you absorb every valuable strategy.

Inside this coursebook, you will learn how to:

- Leverage parameters to make your indicators profitable in both bear and bull markets;
- Combine the most powerful indicators on one chart to create a winning trading system;
- Optimize your entries and exits with specific indicators;
- Use ATR for setting stop losses;
- Utilize stock scans for a competitive edge.

From standards like the MACD to newer tools like Time Segmented Volume and Inertia, Larson will teach you how each indicator works, how to use it effectively, and how to adopt it to your own unique trading style.
