Editorial Review

Review

“To those who airbrush the joys are well known, as well of course, the trials and tribulations of managing the instrument itself. The airbrush student has to learn significant new skills - to master not only colour and shade, but also air pressure, paint consistency and the diverse ways of masking and shading that can help to achieve such wonderful results.” —Professor Andy Penaluna

About the Author

Fred Crellin established his own company specializing in custom painting, portraits, and cartoons. He runs the Artimagination Airbrush School from his own classroom studio and regularly shows his work at local art galleries and exhibitions.
