### Cyrano de Bergerac (Bantam Classics reissue) By Edmond Rostand

This is Edmond Rostand's immortal play in which chivalry and wit, bravery and love are forever captured in the timeless spirit of romance. Set in Louis XIII's reign, it is the moving and exciting drama of one of the finest swordsmen in France, gallant soldier, brilliant wit, tragic poet-lover with the face of a clown. Rostand's extraordinary lyric powers gave birth to a universal hero--Cyrano De Bergerac--and ensured his own reputation as author of one of the best-loved plays in the literature of the stage. This translation, by the American poet Brian Hooker, is nearly as famous as the original play itself, and is generally considered to be one of the finest English verse translations ever written.

### Editorial Review

#### Review

Verse drama in five acts by Edmond Rostand, performed in 1897 and published the following year. Set in 17th-century Paris, the action revolves around the emotional problems of the noble, swashbuckling Cyrano, who, despite his many gifts, feels that no woman can ever love him because he has an enormous nose. Secretly in love with the lovely Roxane, Cyrano agrees to help his inarticulate rival, Christian, win her heart by allowing him to present Cyrano's love poems, speeches, and letters as his own work. Eventually Christian recognizes that Roxane loves him for Cyrano's qualities, not his own, and he asks Cyrano to confess his identity to Roxane; Christian then goes off to a battle that proves fatal. Cyrano remains silent about his own part in Roxane's courtship. As he is dying years later, he visits Roxane and recites one of the love letters. Roxane realizes that it is Cyrano she loves, and he dies content. *Cyrano de Bergerac* was based only nominally on the 17th-century nobleman of the same name, known for his bold adventures and large nose. -- *The Merriam-Webster Encyclopedia of Literature*
