### Ode to Happiness By Keanu Reeves

Ode to Happiness is a grown-up's picture book, a charming reminder not to take oneself too seriously. With drawings by painter Alexandra Grant, text by actor Keanu Reeves, and in collaboration with mutual friend Janey Bergam, this facsimile artists' book is about making the best of a bad situation. In the tradition of a classic "hurtin' song", Reeves' text externalizes a melancholy internal monologue and subtly pokes fun at it. Grant's images, delicately realised in sombre inky washes, reflect the dark and light, the pathos and humour of the text. Neither entirely earnest nor wholly ironic, Ode to Happiness is both a meditation and a gentle tease about how we cope with life's sorrows.

### Editorial Review

#### About the Author

Los Angeles based artist Alexandra Grant uses language and words as the basis for her paintings, drawings and sculptures. Grant has exhibited at institutions including the Museum of Contemporary Art, Los Angeles, the California Biennial, Orange County Museum of Art, and the Contemporary Museum, Baltimore. She has collaborated with artists and writers including Michael Joyce and Hélène Cixous, and is a founding member of the Watts House Project in Los Angeles.

Keanu Reeves, born in 1964 in Beirut, is a celebrated actor and writer. Reeves' films include Point Break (1991), Speed (1994), The Matrix (1999) and the upcoming Jekyll (2011). His theatrical roles include an acclaimed portrayal of Shakespeare's Hamlet.

### Users Review

#### From reader reviews:

##### **Christina Bain:**

What do you think about book? It is just for students because they are still students or it for all people in the world, what the best subject for that? Only you can be answered for that issue above. Every person has different personality and hobby per other. Don't to be pressured someone or something that they don't wish do that. You must know how great along with important the book Ode to Happiness. All type of book can you see on many sources. You can look for the internet resources or other social media.

##### **Donald Davisson:**

Nowadays reading books become more and more than want or need but also be a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge your information inside the book in which improve your knowledge and information. The information you get based on what kind of book you read, if you want send more knowledge just go with knowledge books but if you want really feel happy read one using theme for entertaining such as comic or novel. Often the Ode to Happiness is kind of e-book which is giving the reader erratic experience.

##### **Vincent Cartagena:**

People live in this new time of lifestyle always attempt to and must have the free time or they will get wide range of stress from both way of life and work. So , once we ask do people have extra time, we will say absolutely of course. People is human not only a robot. Then we ask again, what kind of activity do you possess when the spare time coming to you of course your answer will unlimited right. Then ever try this one, reading books. It can be your alternative within spending your spare time, often the book you have read

is usually Ode to Happiness.

**Elizabeth Acker:**

Reading can be called mind hangout, why? Because if you find yourself reading a book particularly a book entitled Ode to Happiness your mind will drift away through every dimension, wandering in most aspect that maybe unidentified for but surely can become your mind friends. Imaging just about every word written in a reserve then become one form conclusion and explanation that maybe you never get before.
