The Homo and the Negro By James J. O'Meara

James J. O'Meara's *The Homo and the Negro* brings a "queer eye" to the overwhelmingly "homophobic" Far Right. In his title essay, O'Meara argues that the Far Right cannot effectively defend Western civilization unless it checks its premises about homosexuality and non-sexual forms of male bonding, which are undermined not just by liberals and feminists, but also by Judeo-Christian "family values" advocates. O'Meara also uses his theory to explain the stigmatization of Western high culture as "gay" and the worship of uncultured oafs as masculine ideals. Although O'Meara grants that the "gay rights" movement is largely subversive, he argues that homosexuals have traditionally played prominent roles in creating and conserving Western civilization. *The Homo and the Negro* collects 14 pieces on such topics as conservatism, homosexuality, race, fashion, Occupy Wall Street, Mad Men, The Gilmour Girls, The Untouchables, The Big Chill, They Live, popular music (Heavy Metal, Black Metal, New Age, Scott Walker), and such figures as Noël Coward, Oscar Wilde, and Humphrey Bogart. Shaped by an eccentric, post-WWII American upbringing, O'Meara draws upon "masculinist" writers like Hans Blüher, Alasdair Clarke, and Wulf Grimsson, as well as the Traditionalism of René Guénon, Julius Evola, and Alain Daniélou.

Users Review

From reader reviews:

William Phillips:

Why don't make it to become your habit? Right now, try to ready your time to do the important act, like looking for your favorite guide and reading a book. Beside you can solve your long lasting problem; you can add your knowledge by the guide entitled The Homo and the Negro. Try to make the book The Homo and the Negro as your good friend. It means that it can be your friend when you feel alone and beside that course make you smarter than before. Yeah, it is very fortunate to suit your needs. The book makes you far more confidence because you can know almost everything by the book. So, we need to make new experience in addition to knowledge with this book.

Joel Jones:

What do you think about book? It is just for students since they're still students or it for all people in the world, exactly what the best subject for that? Simply you can be answered for that concern above. Every person has different personality and hobby for every single other. Don't to be obligated someone or something that they don't wish do that. You must know how great along with important the book The Homo and the Negro. All type of book can you see on many solutions. You can look for the internet resources or other social media.

Lesley Dwyer:

This The Homo and the Negro book is not really ordinary book, you have after that it the world is in your hands. The benefit you obtain by reading this book is usually information inside this e-book incredible fresh, you will get details which is getting deeper an individual read a lot of information you will get. This specific The Homo and the Negro without we know teach the one who studying it become critical in thinking and analyzing. Don't possibly be worry The Homo and the Negro can bring whenever you are and not make your handbag space or bookshelves' grow to be full because you can have it within your lovely laptop even telephone. This The Homo and the Negro having fine arrangement in word in addition to layout, so you will not feel uninterested in reading.

Connie Curtis:

Your reading sixth sense will not betray a person, why because this The Homo and the Negro book written by well-known writer who really knows well how to make book that may be understand by anyone who read the book. Written within good manner for you, still dripping wet every ideas and producing skill only for eliminate your own hunger then you still skepticism The Homo and the Negro as good book but not only by

the cover but also by the content. This is one reserve that can break don't evaluate book by its handle, so do you still needing another sixth sense to pick this kind of!? Oh come on your reading sixth sense already told you so why you have to listening to another sixth sense.
