Fearless Surrender

Nothing incites Marcus more than the primal hunger roused by his former fiancée, Elizabeth. It's been years since she jilted him for another man, but that only means there's a lot to catch up on, a lot to make up for, and that he's going to enjoy every sweet moment. . .

The same drive and passion that sent her into another man's arms is what brings Elizabeth back to Marcus. Her attraction to him is the one thing she fears, but she's run out of options. Resisting is impossible. But does she have the courage to surrender everything?

Editorial Review

From Booklist

Even though it had been four years since his fiancee, Elizabeth, scandalously jilted him at the altar, Marcus Ashford, the Earl of Westfield, had never forgotten her. Now the widow Lady Hawthorne, Elizabeth is free of any matrimonial bonds, and Marcus is determined to pursue her. When Marcus discovers that Elizabeth is in danger because of the coded diary left behind by her late husband, Marcus insists on being the one to protect Elizabeth since it will provide him with the perfect opportunity to seduce her into admitting he is the only man for her. Day expertly crafts a potent sense of sexual chemistry between her irresistibly arrogant, sinfully sexy hero and the one woman clever enough to be his equal. With its surfeit of sensually detailed love scenes and vividly descriptive writing, *Ask for It* is perfect for readers who prefer their historical romances filled with plenty of sizzling passion and dangerous drama. *John Charles*
