## Canada and the British Empire (Oxford History of the British Empire Companion Series) From Oxford University Press

*Canada and the British Empire* traces the evolution of Canada, placing it within the wider context of British imperial history. Beginning with a broad chronological narrative, the volume surveys the country's history from the foundation of the first British bases in Canada in the early seventeenth century, until the patriation of the Canadian constitution in 1982.

Historians approach the subject thematically, analysing subjects such as British migration to Canada, the role played by gender in the construction of imperial identities, and the economic relationship between Canada and Britain. Other important chapters examine the history of Newfoundland, the history and legacy of imperial law, and the attitudes of French Canadians and Canada's aboriginal peoples to the imperial relationship.

The overall focus of the book is on emphasising the part that Canada played in the British Empire, and on understanding the Canadian response towards imperialism. With contributions from leading scholars in the field, it is essential reading for anyone interested either in the history of Canada or in the history of the British Empire.

### Editorial Review

#### Review

"[*Canada and the British Empire*] is of great value for it provides great insight and clarification into the complex nature of Canada and Canadian national identity...An essential work for students of imperial histories." --*World History Bulletin*

#### About the Author

**Phillip Buckner** is Professor Emeritus at the University of New Brunswick, and Senior Research Fellow at the Institute of Commonwealth Studies, University of London.

### Users Review

#### From reader reviews:

##### Tara Gamboa:

This Canada and the British Empire (Oxford History of the British Empire Companion Series) book is simply not ordinary book, you have after that it the world is in your hands. The benefit you will get by reading this book is definitely information inside this publication incredible fresh, you will get details which is getting deeper you actually read a lot of information you will get. This particular Canada and the British Empire (Oxford History of the British Empire Companion Series) without we recognize teach the one who looking at it become critical in considering and analyzing. Don't become worry Canada and the British Empire (Oxford History of the British Empire Companion Series) can bring any time you are and not make your carrier space or bookshelves' turn out to be full because you can have it with your lovely laptop even mobile phone. This Canada and the British Empire (Oxford History of the British Empire Companion Series) having good arrangement in word along with layout, so you will not truly feel uninterested in reading.

##### Carrie Hanks:

As people who live in the particular modest era should be update about what going on or facts even knowledge to make all of them keep up with the era that is always change and move forward. Some of you maybe will probably update themselves by reading through books. It is a good choice for yourself but the problems coming to a person is you don't know what type you should start with. This Canada and the British Empire (Oxford History of the British Empire Companion Series) is our recommendation to make you keep up with the world. Why, since this book serves what you want and wish in this era.

**Brittany Schafer:**

Playing with family inside a park, coming to see the marine world or hanging out with good friends is thing that usually you will have done when you have spare time, after that why you don't try factor that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Canada and the British Empire (Oxford History of the British Empire Companion Series), you could enjoy both. It is excellent combination right, you still desire to miss it? What kind of hangout type is it? Oh occur its mind hangout people. What? Still don't have it, oh come on its known as reading friends.

**Julio Canfield:**

As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Canada and the British Empire (Oxford History of the British Empire Companion Series) can make you really feel more interested to read.
