Comparative Politics By Daniele Caramani

Now in a new edition, *Comparative Politics* provides an exciting and authoritative introduction to all of the core areas of the field. Featuring a diverse range of perspectives from expert international contributors, it explores the methods and theories of comparative politics and also examines the institutions, actors, processes, and policies at the heart of political systems around the world. The selections elucidate the major themes and also present students with a wealth of empirical data and examples--drawn from both developing regions and industrial countries--that demonstrate similarities and differences in practice and encourage further research. The text is enhanced by excellent pedagogical features including readers' guides, key points, questions, a guide to further reading, text boxes, and a glossary.

Editorial Review

Review

An extraordinarily ambitious book by an impressive roster of accomplished authors. They cover, in an authoritative way, a range of important topics in comparative politics. There is sufficient material here to please teachers of many different types of course. Michael J. Laver, New York University This user-friendly textbook strikes an unmatched balance between analytics and empirics, methods and theories, structures, institutions, and actors. Simply the best textbook on comparative politics. Stefano Bartolini, European University Institute With greater geographical coverage, top-class contributors, and detailed online resources, this new edition of Comparative Politics is a key text for any comparative politics course. Ian McAllister, Australian National University The third edition of Comparative Politics updates the text throughout with particular reference to Arab Spring and its aftermath, the financial and economic crises, and right-wing populism. This makes it even more essential than it was for teachers, students, and analysts alike. I warmly commend it to them. Ian Budge, University of Essex

About the Author

Daniele Caramani is Chair of Comparative Politics, Head of the Department of Political Science, Co-Director of the Institute of Political Science, and Vice-Dean of the School of Economics and Political Science at the University of St. Gallen in Switzerland.

Users Review

From reader reviews:

Dan Williams:

A lot of people always spent their particular free time to vacation or even go to the outside with them friends and family or their friend. Do you realize? Many a lot of people spent many people free time just watching TV, as well as playing video games all day long. If you need to try to find a new activity that's look different you can read a book. It is really fun for yourself. If you enjoy the book that you simply read you can spent all day long to reading a guide. The book Comparative Politics it is rather good to read. There are a lot of those who recommended this book. These folks were enjoying reading this book. Should you did not have enough space to bring this book you can buy the e-book. You can more very easily to read this book from the smart phone. The price is not to cover but this book has high quality.

Helen Sullivan:

Is it a person who having spare time and then spend it whole day by means of watching television programs or just laying on the bed? Do you need something new? This Comparative Politics can be the response, oh how comes? It's a book you know. You are and so out of date, spending your time by reading in this brand new era is common not a nerd activity. So what these publications have than the others?

Joseph Gabriel:

On this era which is the greater particular person or who has ability in doing something more are more treasured than other. Do you want to become one among it? It is just simple strategy to have that. What you should do is just spending your time not much but quite enough to experience a look at some books. One of several books in the top list in your reading list is usually Comparative Politics. This book which can be qualified as The Hungry Hillsides can get you closer in growing to be precious person. By looking right up and review this book you can get many advantages.
