Golosa: A Basic Course in Russian, Book One (5th Edition) By Richard M. Robin, Karen Evans-Romaine, Galina Shatalina

The Fifth edition of the best-selling communicatively based text for beginning Russian is enhanced by a greater focus on contemporary culture and simplified, visual grammar explanations that will better engage your students.

Golosa : A Basic Course in Russian, 5e strikes a true balance between communication and structure. It takes a contemporary approach to language learning by focusing on the development of functional competence in the four skills (listening, speaking, reading, and writing), as well as the expansion of cultural knowledge. It also provides comprehensive explanations of Russian grammar along with the structural practice students need to build accuracy.

Golosa is divided into two books (Book 1 & Book 2) of ten units each. The units are organized thematically, and each unit contains dialogs, texts, exercises, and other material designed to enable students to read, speak, and write about the topic, as well as to understand simple conversations. The systematic grammar explanations and exercises enable students to develop a conceptual understanding and partial control of all basic Russian structures. This strong structural base enables students to accomplish the linguistic tasks and prepares them for further study of the language.

Editorial Review

Review

I would like to single out for attention the sequencing of the presentation of verbs of motion, which is particularly successful in comparison with that in other textbooks. What distinguishes *Golosa's* presentation of the verbs of motion is the principle of presenting on the basis of actual usage, rather than linguistic convention that would give equal weight to every form. I think the explanations are excellent ...

The vocabulary selection in each chapter is excellent. The authors have done a great job selecting a first vocabulary in Russian for beginning students and the Scope and Sequence proposes to eliminate words that have faded from use (e.g., who refers to a black & white or color television anymore?) and introduce words that have become important (including references to SMS and cell technology).

What swayed me definitively to the adoption of *Golosa* for our program was the vast amount of listening comprehension that comes with the book and the improved (and expanded) reading comprehension texts and tasks.

The increased number of reading comprehension texts and tasks, especially the genre of the extended e-mail exchange, is an important advantage of the fourth edition over previous editions of *Golosa*. The texts in the textbook are typical of those that our students will need to and want to read and write.

~ Benjamin Rifkin, Temple University

Golosa covers all the topics necessary for understanding basic Russian, and gives more than ample practice. I like the readings and authentic texts you have chosen.

The dialogues, which you have used in all the editions of your text, are very fine ways of showing the vocabulary in context, and leading to the grammar presentations. I have always enjoyed working with them...

~Mary Helen Kashuba, Chestnut Hill College

Golosa is the best communicative textbook out there.

~Anonymous

I like the balanced attention to the development of all four major language skills. The attention to comprehension of authentic Russian handwriting and e-mail communications is especially beneficial.

With its inclusion of a sustained, compelling e-mail correspondence and sophisticated accompanying website, this is the textbook series for English-speakers which best combines the electronic, cyberspace norms of Russian usage with traditional pedagogical emphases on the four basic language skills.

The regular inclusion of a variety of authentic handwritten texts for students to read and discuss is extremely valuable and unique.

~ **Charles L. Byrd, University of Georgia**

Users Review

From reader reviews:

Anna Williams:

The reason why? Because this Golosa: A Basic Course in Russian, Book One (5th Edition) is an unordinary book that the inside of the guide waiting for you to snap this but latter it will shock you with the secret it inside. Reading this book next to it was fantastic author who also write the book in such incredible way makes the content on the inside easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of advantages than the other book have such as help improving your talent and your critical thinking method. So , still want to hesitate having that book? If I were being you I will go to the guide store hurriedly.

Maria Lamotte:

Can you one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Aim to pick one book that you just dont know the inside because don't assess book by its include may doesn't work this is difficult job because you are scared that the inside maybe not since fantastic as in the outside look likes. Maybe you answer could be Golosa: A Basic Course in Russian, Book One (5th Edition) why because the fantastic cover that make you consider in regards to the content will not disappoint you. The inside or content is usually fantastic as the outside or perhaps cover. Your reading sixth sense will directly assist you to pick up this book.

Curtis Phillips:

Are you kind of hectic person, only have 10 as well as 15 minute in your time to upgrading your mind ability or thinking skill also analytical thinking? Then you are experiencing problem with the book than can satisfy your small amount of time to read it because all of this time you only find e-book that need more time to be study. Golosa: A Basic Course in Russian, Book One (5th Edition) can be your answer as it can be read by anyone who have those short extra time problems.

Leroy Moore:

Many people spending their time period by playing outside with friends, fun activity with family or just watching TV all day every day. You can have new activity to shell out your whole day by reading a book. Ugh, do you think reading a book can actually hard because you have to accept the book everywhere? It alright you can have the e-book, having everywhere you want in your Smart phone. Like Golosa: A Basic Course in Russian, Book One (5th Edition) which is keeping the e-book version. So , why not try out this book? Let's notice.
