Paths in Darkness (Citadel Book 2) By Kevin Tumlinson

THE REAL STRANGERS ARE WITHIN.

"Kevin Tumlinson has this ability to make us believe in his characters. In addition to the understated precision of his style, the thing that distinguishes Kevin's fiction is his ability with plot. He is a natural storyteller."

— DR. JAMES ULMER, AUTHOR OF “THE SECRET LIFE”

A MIND DIVIDED.

A HOLLOW VICTORY.

A NEW SPECIES.

Against all odds, on an unchartered world, the souls of First Colony have been restored to life, and a centuries old wrong has been righted—sort of.

On the planet's surface, a young woman struggles to reclaim her mind from the strange aftereffects of the cancellation wave. High above, the struggling colony's last hope of going home slowly falls from orbit, and two men face death to prevent it.

And as the human colonists and their Esool captain struggle for survival, a new

species emerges that can be the colony's savior—or its most dangerous enemy.

As if it needed more.

BOOK TWO OF THREE

"Groundbreaking work, ready for the science fiction hall of fame!"

"Tumlinson's Citadel series is an amazing fantasy omnibus, one of the best sci fi boxed sets you can read."

"It has all the humor, complexity and charm of books by Andy Weir and Hugh Howey — a rich scifi landscape that constantly surprises and keeps you turning page after page."

Editorial Review

About the Author

Kevin Tumlinson was born in Wild Peach, Texas, during the early 70s. Which means he had practically nothing to do for the first 18 years of his life.

That meant he was free from outside stimulus, which gave him a creative edge. He spent his days roaming the back woods and open pastures and abandoned junk piles of Wild Peach, getting into a lot of trouble and building a rich inner world that comes in real handy today.

Kevin is the author of dozens of novels and novellas, including his popular *Citadel* science fiction trilogy and his ongoing *Sawyer Jackson* contemporary fantasy series.

Kevin was the winner of the Veterans of Foreign Wars Voice of Democracy award, as well as a two-time winner of the Danny Lee Lawrence Award for Fiction.

In addition to writing and publishing, Kevin is the host of the Wordslinger Podcast (wordslingerpodcast.com)--a weekly interview-format show in which Kevin talks to some of the most interesting and upwardly mobile entrepreneurs around. Kevin makes a regular habit of coaching and helping other authors, entrepreneurs and would-be authors improve their craft, build or grow their business, and generally just make their lives better through writing.

Kevin lives with his wife, Kara, in the Greater Houston area, but has a grand master plan to chuck it all and live as an RV nomad, exploring the world, chasing his travel muse, and creating stories from the grist he finds out there.

Visit Kevin at kevintumlinson.com for more information about his work, and to connect with him and become one of his Slingers. You can also follow him on Facebook ([/kevintumlinson](https://www.facebook.com/kevintumlinson)) and Twitter (@kevintumlinson). He is no longer responding to smoke signals, and apologizes for the inconvenience.

Users Review

From reader reviews:

David Martin:

Often the book Paths in Darkness (Citadel Book 2) has a lot of knowledge on it. So when you read this book you can get a lot of profit. The book was authored by the very famous author. Tom makes some research before write this book. This book very easy to read you can find the point easily after scanning this book.

Rosa Rogers:

Exactly why? Because this Paths in Darkness (Citadel Book 2) is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will surprise you with the secret this inside. Reading this book adjacent to it was fantastic author who also write the book in such remarkable way makes the content inside of easier to understand, entertaining way but still convey the meaning completely. So , it is good for

you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of rewards than the other book include such as help improving your expertise and your critical thinking method. So , still want to hold up having that book? If I were you I will go to the publication store hurriedly.

Deborah Mele:

Would you one of the book lovers? If yes, do you ever feeling doubt if you are in the book store? Try to pick one book that you just dont know the inside because don't evaluate book by its handle may doesn't work is difficult job because you are afraid that the inside maybe not since fantastic as in the outside appear likes. Maybe you answer is usually Paths in Darkness (Citadel Book 2) why because the great cover that make you consider regarding the content will not disappoint a person. The inside or content is usually fantastic as the outside or maybe cover. Your reading 6th sense will directly direct you to pick up this book.

Ruth McGrath:

As we know that book is vital thing to add our know-how for everything. By a reserve we can know everything we really wish for. A book is a list of written, printed, illustrated or even blank sheet. Every year seemed to be exactly added. This publication Paths in Darkness (Citadel Book 2) was filled concerning science. Spend your time to add your knowledge about your research competence. Some people has different feel when they reading some sort of book. If you know how big selling point of a book, you can truly feel enjoy to read a book. In the modern era like currently, many ways to get book that you wanted.
