Don't let Satan silence your voice

You're in a battle for your destiny. When facing any opponent, the better you understand your rival, the better your chances for victory. The devil knows who you are, where you came from, and what pushes your buttons, and he will use it all against you. You need to know the same about him so that you can face and overcome his attacks.

Fight back at the foot of the cross

Silence Satan reveals the many ways Satan tries to silence us with wounds, accusations, lies, and deceit, and teaches you how to stand strong against him. This battle won't be won with another good message or song. No. It will be won at the place of Satan's defeat—at the cross of Christ. In fact, every answer and solution to the situations we face are found at the cross—not new—but always fresh.
