The Modern Library: The Two Hundred Best Novels in English Since 1950. Carmen Callil and Colm T[ibn] By Carmen Callil

For Colm Toibin and Carmen Callil there is no difference between literary and commercial writing - there is only the good novel: engrossing, inspirational, compelling. In their selection of the best 200 novels written since 1950, the editors make a case for the best and the best-loved works and argue why each should be considered a modern classic. Enlightening, often unexpected, and always engaging this tour through the world of fiction is full of surprises, forgotten masterpieces and a valuable guide to what to read next. The complete list of included authors is as follows: Agatha Christie, Henry Green, Frank Hardy, Georgette Heyer, Sam Hanna Bell, Daphne du Maurier, Patrick Hamilton, Carson McCullers, Anthony Powell, J.
