The World of the Celts By Simon James

"Richly illustrated sheds a strong light on the art and life of a gifted people."—*Houston Chronicle*.

Warlike, flamboyant, courageous—the ancient Celts had a fearsome reputation. For five hundred years they dominated the lands north of the Alps, before being largely absorbed into the Roman Empire. But Celtic culture survived and achieved a glorious flowering in the post-Roman, early Christian era. Today Celtic influence can be found in arts and crafts, in legends, in place names, and even in languages.

In this generously illustrated introduction to the world of the Celts, Simon James charts their way of life from farming to feasting, their wars, their gods, and their superb craftsmanship in metal, wood, and stone. He covers the neglected subject of Celtic life under Roman rule, particularly in Gaul and Britain, and the continuing traditions in Ireland after AD 400, when a Celtic renaissance gave birth to heroic tales, masterpieces of enameled metalwork, and renowned illuminated manuscripts. Over 300 illustrations, 59 in color

Users Review

From reader reviews:

Esmeralda Rossman:

The particular book The World of the Celts has a lot info on it. So when you read this book you can get a lot of gain. The book was compiled by the very famous author. McDougal makes some research before write this book. This book very easy to read you may get the point easily after scanning this book.

Percy Cole:

Playing with family inside a park, coming to see the water world or hanging out with friends is thing that usually you will have done when you have spare time, in that case why you don't try thing that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love The World of the Celts, you can enjoy both. It is great combination right, you still need to miss it? What kind of hang type is it? Oh can occur its mind hangout fellas. What? Still don't have it, oh come on its called reading friends.

Ashley Taylor:

This The World of the Celts is great guide for you because the content and that is full of information for you who have always deal with world and possess to make decision every minute. This particular book reveal it information accurately using great arrange word or we can declare no rambling sentences within it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but difficult core information with lovely delivering sentences. Having The World of the Celts in your hand like having the world in your arm, info in it is not ridiculous one. We can say that no publication that offer you world within ten or fifteen small right but this book already do that. So , it is good reading book. Hey there Mr. and Mrs. stressful do you still doubt that will?

Raymond Lee:

In this time globalization it is important to someone to acquire information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information

easier to share. You can find a lot of referrals to get information example: internet, magazine, book, and soon. You can see that now, a lot of publisher that will print many kinds of book. The book that recommended for you is The World of the Celts this reserve consist a lot of the information from the condition of this world now. This particular book was represented how do the world has grown up. The words styles that writer use to explain it is easy to understand. The actual writer made some investigation when he makes this book. Honestly, that is why this book ideal all of you.
