Editorial Review

Review

"Charles Drew has given us a great book to give away—especially to those who want a purpose-driven life and want to dig more deeply into the mysteries of that purpose . . . [He] takes us a step beyond the literature that is presently available on the subject. Highly recommended." --**Timothy Keller**, Redeemer Presbyterian Church, New York

"I was moved to tears by this beautifully written, honest, and comprehensive perspective on life calling. Charles Drew presents a realistic but hopeful view—one solidly grounded in the reality of the triune God. This is a great book for anyone wanting to reflect on the purpose and direction of their life's work." --**Chris Keidel**, InterVarsity Christian Fellowship

"Find a group of others who are seeking direction in life and read this book together. The questions at the end of each chapter are worth the price, and you'll find yourselves drawn into a dialogue that will change your life." --**The Rev. Peter C. Moore**, D.D., author, *Disarming the Secular Gods*
