### Editorial Review

#### Review

John Mason wrote a very good book that I recommend you read: An Enemy Called Average. I learned from this book: Know your limits, then ignore them. The most unprofitable item ever manufactured is an excuse. Don't sit back and take what comes. Go after what you want (excerpt from her book, A Leader in the Making). --Joyce Meyer

The originality and practicality of John Mason's words and wisdom are a proven commodity which makes every new book of his a celebrated event...Read and prosper! --Jack Hayford

I think the Christian message, added to the good sense of your business message, makes a different and worthwhile contribution. --Art Linkletter
