### Editorial Review

#### Amazon.com Review

If you had the power to kill with your bare hands, what would you do with it?

*Graceling* takes readers inside the world of Katsa, a warrior-girl in her late teens with one blue eye and one green eye. This gives her haunting beauty, but also marks her as a Graceling. Gracelings are beings with special talents—swimming, storytelling, dancing. Katsa's Grace is considered more useful: her ability to fight (and kill, if she wanted to) is unequaled in the seven kingdoms. Forced to act as a henchman for a manipulative king, Katsa channels her guilt by forming a secret council of like-minded citizens who carry out secret missions to promote justice over cruelty and abuses of power.

Combining elements of fantasy and romance, Cashore skillfully portrays the confusion, discovery, and angst that smart, strong-willed girls experience as they creep toward adulthood. Katsa wrestles with questions of freedom, truth, and knowing when to rely on a friend for help. This is no small task for an angry girl who had eschewed friendships (with the exception of one cousin that she trusts) for her more ready skills of self-reliance, hunting, and fighting. Katsa also comes to know the real power of her Grace and the nature of Graces in general: they are not always what they appear to be.

*Graceling* is the first book in a series, and Kristin Cashore's first work of fiction. It sets up a vivid world with engaging characters that readers will certainly look forward to following beyond the last chapter of this book. (Ages 14 and up) —Heidi Broadhead

#### From School Library Journal

Starred Review. Grade 8 Up—In this debut fantasy novel, Cashore treats readers to compelling and eminently likable characters and a story that draws them in from the first paragraph. In Katsa's world, the "Graced," those gifted in a particular way, are marked by eyes that are different colors. Katsa's Grace is that she is a gifted fighter, and, as such, she is virtually invincible. She is in the service of her tyrannical uncle, king of one of the seven kingdoms, and she is forced to torture people for infractions against him. She has secretly formed the Council, which acts in the service of justice and fairness for those who have been accused and abused. Readers meet her as she is rescuing the father of the Lienid king, who has been abducted. The reasons for his capture are part of a tightening plot that Katsa unravels and resolves, with the help of Prince Po, the captive's grandson. He has his own particular Grace, and he becomes Katsa's lover and partner in what becomes a mortally dangerous mission. Cashore's style is exemplary: while each detail helps to paint a picture, the description is always in the service of the story, always helping readers to a greater understanding of what is happening and why. This is gorgeous storytelling: exciting, stirring, and accessible. Fantasy and romance readers will be thrilled.—Sue Giffard, Ethical Culture Fieldston School, New York City

\*Starred Review\* Feared as a killer since her childhood, Lady Katsa uses her unusual Grace (superhuman gift) in the service of her uncle, King Randa. She is beginning to rebel against his orders to kill or maim his more disloyal subjects when her path crosses that of Po. A young foreign prince with a mysterious Grace as well as wisdom beyond his years, Po convinces Katsa that she can stand up to the brutal king and put her gift to better uses. When Katsa joins Po on a quest, she throws herself headlong into a rescue mission and finds romance, self-knowledge, and justice along the way. Although many fantasy writers create intriguing

alternate worlds and worthy adventures, as Cashore does in this well-imagined novel, she also offers believable characters with enough depth, subtlety, and experience to satisfy older readers. Katsa is a heroine who can physically overpower most men she meets, yet her strength is not achieved by becoming manlike. She may care little for fine clothes, but from her first kill to her first experience of lovemaking, Katsa's womanhood is integral to her character. An impressive first novel, this well-crafted and rewarding fantasy will leave readers hoping for more. Grades 9-12. --Carolyn Phelan
