## The Secret History By Donna Tartt

"Powerful...Enthralling...A ferociously well-paced entertainment."

THE NEW YORK TIMES

Richard Papen arrived at Hampden College in New England and was quickly seduced by an elite group of five students, all Greek scholars, all worldly, self-assured, and, at first glance, all highly unapproachable. As Richard is drawn into their inner circle, he learns a terrifying secret that binds them to one another...a secret about an incident in the woods in the dead of night where an ancient rite was brought to brutal life...and led to a gruesome death. And that was just the beginning....

"A smart, craftsman-like, viscerally compelling novel."

## Editorial Review

From Publishers Weekly

Tartt's much bruited first novel is a huge (592 pages) rambling story that is sometimes ponderous, sometimes highly entertaining. Part psychological thriller, part chronicle of debauched, wasted youth, it suffers from a basically improbable plot, a fault Tartt often redeems through the bravado of her execution. Narrator Richard Pape comes from a lower-class family and a loveless California home to the "hermetic, overheated atmosphere" of Vermont's Hampden College. Almost too easily, he is accepted into a clique of five socially sophisticated students who study Classics with an idiosyncratic, morally fraudulent professor. Despite their demanding curriculum (they quote Greek classics to each other at every opportunity) the friends spend most of their time drinking and taking pills. Finally they reveal to Richard that they accidentally killed a man during a bacchanalian frenzy; when one of their number seems ready to spill the secret, the group--now including Richard--must kill him, too. The best parts of the book occur after the second murder, when Tartt describes the effect of the death on a small community, the behavior of the victim's family and the conspirators' emotional disintegration. Here her gifts for social satire and character analysis are shown to good advantage and her writing is powerful and evocative. On the other hand, the plot's many inconsistencies, the self-indulgent, high-flown references to classic literature and the reliance on melodrama make one wish this had been a tauter, more focused novel. In the final analysis, however, readers may enjoy the pull of a mysterious, richly detailed story told by a talented writer. 75,000 first printing; BOMC and QPB selections.

From Library Journal

This well-written first novel attempts to be several things: a psychological suspense thriller, a satire of collegiate mores and popular culture, and a philosophical bildungsroman. Supposedly brilliant students at a posh Vermont school (Bennington in thin disguise) are involved in two murders, one supposedly accidental and one deliberate. The book's many allusions, both literary and classical (the students are all classics majors studying with a professor described as both a genius and a deity) fail to provide the deeper resonance of such works as Umberto Eco's *The Name of the Rose*. Ultimately, it works best as a psychological thriller. Expect prepublication hype to generate interest in this book and buy accordingly. Previewed in Prepub Alert, LJ 5/1/92.

From Kirkus Reviews

The Brat Pack meets The Bacchae in this precious, way-too-long, and utterly unsuspenseful town-and-gown murder tale. A bunch of ever-so-mandarin college kids in a small Vermont school are the eager epigones of an aloof classics professor, and in their exclusivity and snobbishness and eagerness to please their teacher, they are moved to try to enact Dionysian frenzies in the woods. During the only one that actually comes off, a local farmer happens upon them--and they kill him. But the death isn't ruled a murder--and might never have been if one of the gang--a cadging sybarite named Bunny Corcoran--hadn't shown signs of cracking under the secret's weight. And so he too is dispatched. The narrator, a blank-slate Californian named Richard Pape chronicles the coverup. But if you're thinking remorse-drama, conscience-masque, or even semi-trashy who'll-break-first? page-turner, forget it: This is a straight gee-whiz, first-to-have-ever-noticed college novel--Hampden College, as a body, was always strangely prone to hysteria. Whether from isolation, malice, or simple boredom, people there were far more credulous and excitable than educated people are generally thought to be, and this hermetic, overheated atmosphere made it a thriving black petri dish of

melodrama and distortion." First-novelist Tarrt goes muzzy when she has to describe human confrontations (the murder, or sex, or even the ping-ponging of fear), and is much more comfortable in transcribing aimless dorm-room paranoia or the TV shows that the malefactors anesthetize themselves with as fate ticks down. By telegraphing the murders, Tarrt wants us to be continually horrified at these kids- -while inviting us to semi-enjoy their manneristic fetishes and refined tastes. This ersatz-Fitzgerald mix of moralizing and mirror-looking (Jay McInerney shook and poured the shaker first) is very 80's--and in Tarrt's strenuous version already seems dated, formulaic. Les Nerds du Mal--and about as deep (if not nearly as involving) as a TV movie. -- Copyright ©1992, Kirkus Associates, LP. All rights reserved.

## **Users Review**

### **From reader reviews:**

#### **Adrian Kester:**

The knowledge that you get from The Secret History could be the more deep you rooting the information that hide in the words the more you get serious about reading it. It doesn't mean that this book is hard to be aware of but The Secret History giving you thrill feeling of reading. The article author conveys their point in particular way that can be understood simply by anyone who read that because the author of this guide is well-known enough. This specific book also makes your personal vocabulary increase well. So it is easy to understand then can go with you, both in printed or e-book style are available. We advise you for having this The Secret History instantly.

#### **Jodi Dauphin:**

Information is provisions for individuals to get better life, information today can get by anyone at everywhere. The information can be a know-how or any news even an issue. What people must be consider whenever those information which is from the former life are hard to be find than now is taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you obtain the unstable resource then you get it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take The Secret History as the daily resource information.

#### **Rebecca Walton:**

Reading a book tends to be new life style within this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Using book everyone in this world may share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their own reader with their story or even their experience. Not only the storyline that share in the guides. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on earth always try to improve their skill in writing, they also doing some study before they write for their book. One of them is this The Secret History.

#### **Pamelia Thompson:**

Reading a book being new life style in this yr; every people loves to examine a book. When you go through a

book you can get a lots of benefit. When you read ebooks, you can improve your knowledge, since book has a lot of information into it. The information that you will get depend on what sorts of book that you have read.
