**Commodity Trader's Almanac 2012: For Active Traders of Futures, Forex, Stocks and ETFs (Almanac Investor Series)** By Jeffrey A. Hirsch, John L. Person

**An indispensable resource for today's active commodity, currency, futures, and ETF trader**

In the 2012 Edition of the *Commodity Trader's Almanac*, Jeffrey Hirsch once again teams up with veteran trader John Person to create an essential tool for both professional traders and those just getting started, to help them understand the complex and exciting world of alternatives. Created in a similar fashion to the *Stock Trader's Almanac*—trusted for over 40 years—the *Commodity Trader's Almanac* is a comprehensive guide featuring monthly strategies, patterns, trends, and trading techniques geared towards the major commodities and currencies, as well as ETFs, futures, and options.

It also contains in-depth insights on various topics of interest to the active trader and investing public; as well as market highlights that cover key supply, demand, and seasonal tendencies on markets including crude oil, ethanol, and precious metals; critical agricultural products such as corn, wheat, and cattle; and foreign currencies like the British pound and the Euro. The *Commodity Trader's Almanac* also describes how investors can utilize futures, options, and ETFs in their endeavors.

- Helps you understand how commodity pricing works and offers great insight into investing in them
- Alerts you to little-known market patterns and tendencies to help forecast commodity market trends with accuracy and confidence
- Contains expanded coverage on timing tools with tips on utilizing candlesticks and pivot points to better time seasonal trades, and more
- Includes business cycle analysis and trading tips for the current climate

Intended for active traders and investors interested in making the most out of today's commodity, ETF, futures, options, and currencies markets, this guide will make you a better trade in the search for greater profits.
