Defeating Jihad: The Winnable War By Sebastian Gorka

Since September 11, 2001, America has been at war. And that's about all anyone can say with certainty about a conflict that has cost 7,000 American lives and almost \$2 trillion. As long as the most basic strategic questions—Who is the enemy? Why are we fighting?—remain unanswered, victory is impossible.

Yet this war is eminently winnable if we remove our ideological blinders, accurately name our enemy, and draw up a strategy to defeat him. So says Dr. Sebastian Gorka, one of the most experienced and sought-after authorities on counterterrorism. Our enemy is not “terror” or “violent extremism.” Our enemy is the global jihadi movement, a modern totalitarian ideology rooted in the doctrines and martial history of Islam. Taking his cue from the formerly top-secret analyses that shaped the U.S. response to the communist threat, Dr. Gorka has produced a compelling profile of the jihadi movement—its mind and motivation—and a plan to defeat it.
