Seaside with Sharks and Dancer By Don Nigro

Drama / Casting: 1m, 1f / Scenery: Interior

This fine work in the Pendragon cycle of plays enjoyed a sold out, critically acclaimed production at the world famous Oregon Shakespeare Festival. The play is set in a beach bungalow. The young man who lives there has pulled a lost young woman from the ocean. Soon, she finds herself trapped in his life and torn between her need to come to rest somewhere and her certainty that all human relationships turn eventually into nightmares. The struggle between his tolerant and gently ironic approach to life and her strategy of suspicion and attack becomes a kind of war about love and creation which neither can afford to lose. This is an offbeat, wonderful love story. Note: The play contains a wealth of excellent monologue and scene material.
