Secret Scrolls: Revelations from the Lost Gospel Novels By Robert M. Price

Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel. Sometimes it turns out to be a hoax; will it be debunked before it can work its mischief? If it proves genuine, will it be brought to light? Or will corrupt church officials manage to prevent it? The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general. Sometimes the authors have done their homework; other times they haven't bothered, and they wind up dishing up crazy rewrites of history and outlandish theories. These novels deal with abiding issues of faith, even without some new discovery. As soon as one engages in biblical apologetics, one has stepped onto the marshy ground of probabilistic arguments, an entirely different epistemology that automatically replaces simple faith. And so one comes to hold one's religious convictions more tentatively, having become genuinely vulnerable to new evidence. One may not remain a believer for long. On the other hand, one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board. Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity. How mighty a blow must be dealt before the religion would fall? Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable. As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research, there is a genuine romance of New Testament scholarship, and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists. These books can both entertain and educate, and so will Secret Scrolls.

Users Review

From reader reviews:

Ronald Walker:

Often the book Secret Scrolls: Revelations from the Lost Gospel Novels will bring you to the new experience of reading a new book. The author style to clarify the idea is very unique. If you try to find new book to read, this book very suitable to you. The book Secret Scrolls: Revelations from the Lost Gospel Novels is much recommended to you you just read. You can also get the e-book through the official web site, so you can quickly to read the book.

John Vandorn:

As we know that book is significant thing to add our know-how for everything. By a reserve we can know everything we really wish for. A book is a list of written, printed, illustrated or even blank sheet. Every year had been exactly added. This guide Secret Scrolls: Revelations from the Lost Gospel Novels was filled concerning science. Spend your free time to add your knowledge about your scientific disciplines competence. Some people has various feel when they reading any book. If you know how big advantage of a book, you can really feel enjoy to read a reserve. In the modern era like now, many ways to get book that you just wanted.

Carlos Pollard:

Do you like reading a book? Confuse to looking for your selected book? Or your book had been rare? Why so many query for the book? But virtually any people feel that they enjoy intended for reading. Some people likes examining, not only science book but also novel and Secret Scrolls: Revelations from the Lost Gospel Novels or maybe others sources were given understanding for you. After you know how the good a book, you feel wish to read more and more. Science book was created for teacher or maybe students especially. Those textbooks are helping them to bring their knowledge. In additional case, beside science publication, any other book likes Secret Scrolls: Revelations from the Lost Gospel Novels to make your spare time a lot more colorful. Many types of book like this one.

Colin Rousey:

As a student exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's internal or real their interest. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Secret Scrolls: Revelations from the Lost Gospel Novels can make you really feel more interested to read.
