### Slightly Dangerous (Bedwyn Saga) By Mary Balogh

All of London is abuzz over the imminent arrival of Wulfric Bedwyn, the reclusive, cold-as-ice Duke of Bewcastle, at the most glittering social event of the season. Some whisper of a tragic love affair. Others say he is so aloof and passionless that not even the greatest beauty could capture his attention. But on this dazzling afternoon, one woman did catch the duke's eye—and she was the only female in the room who wasn't even trying. Christine Derrick is intrigued by the handsome duke...all the more so when he invites her to become his mistress.

What red-blooded woman wouldn't enjoy a tumble in the bedsheets with a consummate lover—with no strings and no questions asked. An infuriating lady with very definite views on men, morals, and marriage, Christine confounds Wulfric at every turn. Yet even as the lone wolf of the Bedwyn clan vows to seduce her any way he can, something strange and wonderful is happening. Now for a man who thought he'd never lose his heart, nothing less than love will do.

With her trademark wit, riveting storytelling, and sizzling sexual sparks, Mary Balogh once again brings together two polar opposites: an irresistible, high-and-mighty aristocrat and the impulsive, pleasure-loving woman who shows him what true passion is all about. A man and a woman so wrong for each other, it can result only in the perfect match.

*From the Hardcover edition.*

### Editorial Review

From Publishers Weekly

The long-awaited conclusion to Balogh's Regency-era romance series, focusing on the eccentric Bedwyn family, possesses the same charm and richness of character as her previous books (*Slightly Tempted*, etc.), but its plot is slightly more conventional. Balogh's fans have longed to see Wulfric, the imperturbable duke of Bewcastle, fall in love, and Balogh has created the perfect heroine to fell him—Christine Derrick, a lively but lowborn young widow who has a habit of getting herself into very improper situations. The two meet at a sedate house party, where Christine accidentally spills lemonade on the duke and then dares to laugh at him. Wulfric disapproves of Christine's working-class background and unladylike manners, but he can't help being enchanted by her effervescent personality. For her part, Christine disdains Wulf's icy, superior attitude, but she's drawn to him physically. As fans of the genre will anticipate, opposites attract no matter how hard the hero and heroine fight against it, and an unplanned sexual encounter complicates their feelings even further. Although the story lacks some of the dramatic tension of its predecessors, particularly *Slightly Sinful*, this book rings with humor and delightful echoes of Jane Austen's *Pride and Prejudice*. All in all, it's a memorable conclusion to a charming series.

From [Booklist](#)

*Slightly Dangerous* is the culmination of Balogh's wonderfully entertaining Bedwyn series, in which each sibling in the aristocratic family finds the love of his or her life. Wulfric, the eldest brother, is known for his icy reserve, and, in fact, the formidable duke effectively stopped marriage-minded pursuits and was content with his mistress until she died. Invited to a house party, he unhappily finds himself in the company of Christine Derrick, the klutzy, impoverished widow of a viscount's brother. Two more unsuitable lovers have never been imagined, but Balogh, famous for her believable characters and finely crafted Regency-era settings, forges a relationship that leaps off the page and into the hearts of her readers. The sixth title in a series would seem an unlikely point to begin, but Balogh includes the other five Bedwyn siblings and their loves in such a way as to delight readers familiar with them, and entice readers new to the series to read the previous installments. *Diana Tixier Herald*

Review

"Rings with humor and the delightful echoes of Jane Austen's **Pride and Prejudice**."—*Publishers Weekly*

"With its impeccable plotting and memorable characters, Balogh's book raises the bar for Regency romances."—*Publishers Weekly*, starred review

"The sexual tension fairly crackles between this pair of beautifully matched protagonists...this delightful and exceptionally well-done title nicely demonstrates [Balogh's] matchless style." —*Library Journal*

### Users Review

From reader reviews:

**James Ponce:**

This Slightly Dangerous (Bedwyn Saga) book is just not ordinary book, you have it then the world is in your

hands.
