The Complete Leader: Everything You Need to Become a High-Performing Leader By Ron Price, Randy Lisk

You have the formal education, the experience and maybe even the title. Yet, you crave additional development of your leadership skills not just another business book or workshop, but something practical, actionable and real-world. *The Complete Leader* is for you. Executive coaches Randy Lisk and Ron Price combine experiences and tools gleaned from decades working with leaders from Fortune 100 companies to small businesses, to present twenty-five modules in *The Complete Leader*.

Each skill is organized around the four qualities necessary to leadership excellence. Presented in a way that is both customizable and scalable, each leadership competency utilizes practical tools for defining, practicing and becoming the greatest version of yourself. The companion site, TheCompleteLeader.org, includes individual assessments and furthers the ideas presented in each section, offering additional methods to deepen practice and learning. This combination of book, assessments and website round out a robust program designed for today's established executives and tomorrow's emerging leaders.

Jose Francisco (Paco) Ortiz Collado, Senior Vice president & General Manager of Zoetis Brazil, says this about *The Complete Leader*: In 25 years leading teams with different cultures, I have never encountered a book about leadership that puts the concept in such a realistic and pragmatic way. It is highly beneficial that these concepts come from leaders like Ron and Randy, who have led organizations and have been able to connect the concepts with real-world experiences. *The Complete Leader* was a North American Book Award winner in 2014.

Editorial Review

Review

While the subtitle, "Everything You Need to Become a High-Performing Leader," may over-promise, this remains one of the best and clearest books on business leadership that I have read. The authors are business advisors, speakers, and senior-level managers with considerable down-to-earth wisdom and experience. They believe that a true leader must be authentic, and they prescribe lifelong learning as requisite for any leader. Unlike many popular business books, they counsel the hard work of self-improvement, rather than trendy slogans. --*San Francisco Book Review*, 5 of 5 stars

"Consider this outstanding book as high-octane fuel for your leadership engine. Whether you're a beginner or a seasoned pro, it's sure to take your leadership skills to a new level!" --Les Parrott, Ph.D. #1 New York Times best-selling author of *3 Seconds*

"You might wonder why, as a parable writer who seldom concentrates on more than two or three secrets at once, I would endorse *The Complete Leader* a book that essentially teaches you everything you need to become a high-performing leader. This book can serve as your own leadership curriculum as you work on the competencies you need to be an effective leader. You'll take the self assessment in the back of the book, decide which of the twenty-five leadership competencies you need help on, and then go to the appropriate chapter. Thanks, Ron and Randy, for putting all this valuable information in one place." --Ken Blanchard, coauthor of *The One Minute Manager*

There have been hundreds of books and scores of experts and theorists who have tried to define one specific trait that makes a leader. *The Complete Leader: Everything You Need To Become A High Performing Leader*, by Ron Price and Randy Lisk, suggests there is no single quality or attribute that defines a leader. Instead, leadership development is a process based on numerous essential areas. Rather than offering static information, the authors offer a companion website that allows for an ongoing process of leadership development to apply the skills. The book and website are meant to be like an individual coaching session: evaluate strengths, then proceed to targeted training. This integrated combination of learning makes for energizing leadership development. Price and Lisk provide new insight into the complexities of leadership. *The Complete Leader* is a hugely helpful guide that divides and conquers a topic that can seem

overwhelming. For new leaders who want to energize their careers or for those established ones looking to make a greater impact, this is a detailed road map to get you there. --Business Lexington

"Ron Price and Randy Lisk's *The Complete Leader* is the comprehensive guide to being a great leader: think clearly, manage yourself, care for others, be authentic." --Marshall Goldsmith, million-selling author of the New York Times bestsellers, *MOJO* and *What Got You Here Won't Get You There*

"No two people understand leadership better than Ron Price and Randy Lisk. They have been leading, teaching, and coaching others to lead for years. Now, they have given us the complete guide. What a gift! Full of practical insights and terrific coaching, *The Complete Leader* will alter the performance of leaders worldwide." --John Hersey, President, TTI Success Insights North America, Author of *Creating Contagious Leadership*.

"*The Complete Leader* encapsulates the lifelong learning of master practitioners and thought leaders on the subject. This masterpiece is an essential and insightful learning tool to fast-forward the career for every aspiring great leader." --Imelda Butler, Odyssey Transformational Strategies, Dublin, Ireland
