The Constitution of the Roman Republic By Andrew Lintott

There is no other published book in English studying the constitution of the Roman Republic as a whole. Yet the Greek historian Polybius believed that the constitution was a fundamental cause of the exponential growth of Rome's empire. Knowledge of Rome's political institutions is essential both for ancient historians and for those who study the contribution of Rome to the republican tradition of political thought from the Middle Ages to the revolutions inspired by the Enlightenment.

Editorial Review

Review

"Lincott's clear presentation of the structure of the Roman government and his judicious comments will help this book achieve its goal of providing a starting point for students of ancient history."--*American Historical Review*

"Lintott's command of his subject is masterly, and it is nothing short of admirable that his exposition succeeds in providing the reader with a solid grasp of every institution even as it takes pains to underscore the changes in each institution that took place over time...Lintott is an acute and erudite historian. His book will serve the needs of pupils and teachers for a long time to come, and its appearance is most welcome."--*The Historian*

"...authoritative, incisive, and readable."--*Classical Outlook*

"...Lintott's introduction to the rules of the game will be extremely valuable."--*Classical Outlook*

"This book is the single most comprehensive treatment of its topic and essential for serious students of constitutional history and theory."--*Religious Studies Review*

About the Author

Andrew Lintott is Professor of Roman History at the University of Oxford and Fellow of Worcester College

Users Review

From reader reviews:

Byron Jorgensen:

Reading a publication tends to be new life style in this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Using book everyone in this world can share their idea. Publications can also inspire a lot of people. Lots of author can inspire their very own reader with their story or their experience. Not only situation that share in the books. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors on earth always try to improve their talent in writing, they also doing some research before they write on their book. One of them is this The Constitution of the Roman Republic.

Deloras Pinkston:

Do you have something that you prefer such as book? The publication lovers usually prefer to choose book like comic, limited story and the biggest the first is novel. Now, why not seeking The Constitution of the Roman Republic that give your enjoyment preference will be satisfied by simply reading this book. Reading routine all over the world can be said as the opportunity for people to know world much better then how they react towards the world. It can't be stated constantly that reading practice only for the geeky man but for all of you who wants to become success person. So , for all you who want to start studying as your good habit, you could pick The Constitution of the Roman Republic become your own starter.

William Ullrich:

As a university student exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this The Constitution of the Roman Republic can make you truly feel more interested to read.

Gerardo Roney:

What is your hobby? Have you heard that will question when you got pupils? We believe that that query was given by teacher to the students. Many kinds of hobby, Every person has different hobby. And you know that little person such as reading or as studying become their hobby. You must know that reading is very important along with book as to be the factor. Book is important thing to increase you knowledge, except your own teacher or lecturer. You see good news or update concerning something by book. Numerous books that can you decide to try be your object. One of them is The Constitution of the Roman Republic.
