Chemical and Process Plant Commissioning Handbook: A Practical Guide to Plant System and Equipment Installation and Commissioning By Martin Killcross

The *Chemical and Process Plant Commissioning Handbook*, winner of the 2012 Basil Brennan Medal from the Institution of Chemical Engineers, is a guide to converting a newly constructed plant or equipment into a fully integrated and operational process unit. Good commissioning is based on a disciplined, systematic and proven methodology and approach that achieve results in the safest, most efficient, cost effective and timely manner.

The book is supported by detailed, proven and effective commission templates, plus extensive commissioning scenarios that enable the reader to learn the context of good commissioning practice from an experienced commissioning manager. It focuses on the critical safety assessment and inspection regimes necessary to ensure that new plants are compliant with OSHA and environmental requirements. Martin Killcross has brought together the theory of textbooks and technical information obtained from sales literature, in order to provide engineers with what they need to know before initiating talks with vendors regarding equipment selection.

- Unique information from a respected, global commissioning manager: delivers the know-how to succeed for anyone commissioning new plant or equipment
- Comes with online commissioning process templates that make this title a working tool kit as well as a key reference
- Extensive examples of successful commissioning processes with step-by-step guidance enable readers to understand the function and performance of the wide range of tasks required in the commissioning process

Editorial Review

Review

"This handbook for new and experienced commissioning engineers, project managers, and operations managers offers a methodology for commissioning chemical and process plants, which can be used when commissioning a new plant, or for modified equipment in an existing facility, or in a turnaround or overhaul scenario. The handbook takes the approach that commissioning is a series of checks and counter-checks to confirm that the newly constructed chemical plant is fit for purpose and suitable for ongoing operation. The book is divided into sections on preparation, implementation, and close-out, with much information in bullet list format. For each step of the process, the handbook offers worked examples, checklists, and guidance on paperwork. The book also includes about 70 pages of sample blank documents, which can be used to create commissioning manuals, plus 40 pages of schematics and engineering drawings especially designed to illustrate info in the handbook. Killcross is a commissioning consultant." --**Reference and Research**

About the Author

Commissioning manager for URENCO ChemPlants, UK

Users Review

From reader reviews:

Donald Gullett:

Within other case, little folks like to read book Chemical and Process Plant Commissioning Handbook: A Practical Guide to Plant System and Equipment Installation and Commissioning. You can choose the best book if you want reading a book. Providing we know about how is important any book Chemical and Process Plant Commissioning Handbook: A Practical Guide to Plant System and Equipment Installation and Commissioning. You can add understanding and of course you can around the world by the book. Absolutely right, because from book you can realize everything! From your country right up until foreign or abroad you will end up known. About simple factor until wonderful thing you can know that. In this era, we can open a book or even searching by internet gadget. It is called e-book. You should use it when you feel weary to go to the library. Let's examine.

Abram Huffman:

As we know that book is vital thing to add our information for everything. By a book we can know everything you want. A book is a range of written, printed, illustrated as well as blank sheet. Every year was exactly added. This book Chemical and Process Plant Commissioning Handbook: A Practical Guide to Plant System and Equipment Installation and Commissioning was filled regarding science. Spend your free time to add your knowledge about your scientific research competence. Some people has diverse feel when they reading a new book. If you know how big benefit from a book, you can feel enjoy to read a reserve. In the modern era like now, many ways to get book that you wanted.

James Buscher:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book ended up being rare? Why so many question for the book? But just about any people feel that they enjoy to get reading. Some people likes looking at, not only science book but also novel and Chemical and Process Plant Commissioning Handbook: A Practical Guide to Plant System and Equipment Installation and Commissioning or maybe others sources were given expertise for you. After you know how the good a book, you feel wish to read more and more. Science guide was created for teacher as well as students especially. Those guides are helping them to increase their knowledge. In additional case, beside science e-book, any other book likes Chemical and Process Plant Commissioning Handbook: A Practical Guide to Plant System and Equipment Installation and Commissioning to make your spare time a lot more colorful. Many types of book like this one.

Pamela Wilson:

Some individuals said that they feel fed up when they reading a e-book. They are directly felt it when they get a half portions of the book. You can choose the actual book Chemical and Process Plant Commissioning Handbook: A Practical Guide to Plant System and Equipment Installation and Commissioning to make your reading is interesting. Your skill of reading proficiency is developing when you similar to reading. Try to choose very simple book to make you enjoy to study it and mingle the feeling about book and looking at especially. It is to be initially opinion for you to like to open a book and go through it. Beside that the book Chemical and Process Plant Commissioning Handbook: A Practical Guide to Plant System and Equipment Installation and Commissioning can to be a newly purchased friend when you're really feel alone and confuse in doing what must you're doing of that time.
