Children's Book of Art By DK Publishing

This engaging guide takes children on an international tour of the world's greatest art, from the first daubs of paint in prehistoric caves to today's performance art. It includes all of the important art movements, from Renaissance to Rococo, as well as the great painters from all these eras. However, the approach is to look at art as an international exchange of ideas, not a straight history of western art. The book includes art from all countries, from aboriginal art to totem poles.

Editorial Review

From School Library Journal

Grade 4 Up—From prehistoric to modern times, this expertly designed survey delivers a wealth of information. Much more than a mere time line, the focus shifts from artist to movement to medium with fluidity. Gallery pages examine how particular subjects are depicted in art from a variety of cultures and time periods. Hundreds of color reproductions are sure to hold readers' interest as they discover the interconnectedness of thousands of years of artistic expression. The vast amount of information presented is neither overwhelming nor superficial, due to effective design and organization. Offering more than can be absorbed in one sitting, this appealing, oversize volume will have readers poring over it again and again.—*Lisa Glasscock, Columbine Public Library, Littleton, CO* END

Review

"From prehistoric to modern times, this expertly designed survey delivers a wealth of information...this appealing, oversize volume will have readers poring over it again and again." --School Library Journal, October 1, 2009

"DK Publishing has one of the best art departments in children's book publishing. This is particularly demonstrated in the pages of their 'Children's Book of Art' which is enthusiastically recommended for family, school, and community library collections." --Children's Bookwatch (Midwest Book Review), September 1, 2009

"Brimming with colorful illustrations, this large-format book...offers a wealth of information about art." --Booklist Online, November 1, 2009

"The Children's Book of Art is a bright, colorful, well laid out and thought out book offering from DK Publishers...Fascinating, fun stuff and I can't recommend this book more highly. This is my new '5 Star Read.' I think it's top notch and an excellent educational resource book." --5MinutesforBooks.com, November 6, 2009

Users Review

From reader reviews:

Darren Meekins:
