Freedom (TM) By Daniel Suarez

The *New York Times* bestseller *Daemon* unleashed a terrifying technological vision of an all-powerful, malicious computer program. Now, our world is the *Daemon's* world—unless someone stops it once and for all...

The Daemon is in absolute control, using an expanded network of shadowy operatives to tear apart civilization and build it anew. Even as civil war breaks out in the American Midwest in a wave of nightmarish violence, former detective Pete Sebeck—the Daemon's most powerful, though reluctant, operative—must lead a small band of enlightened humans in a movement designed to protect the new world order.

But the private armies of global business are preparing to crush the Daemon once and for all. In a world of shattered loyalties, collapsing societies, and seemingly endless betrayal, the only thing worth fighting for may be nothing less than the freedom of all humankind.
